Chair Rhoads, Vice Chair Gabbard, and Members of the Committee:

The Department of Corrections and Rehabilitation (DCR) provides comments on House Bill (HB) 1002, House Draft (HD) 1, Senate Draft (SD) 1, which proposes to extend the appointment term of the Hawai'i Correctional System Oversight Commission (HCSOC) Coordinator's position, and amend the language of Section 353L-7 of the Hawai'i Revised Statutes (HRS) to allow the coordinator to make inquiries, and obtain information where no investigation has been initiated, or exists.

The DCR has no concerns with the proposed change from a 2-year term for the coordinator to three (3) years. With respect to DCR's practice of allowing the HCSOC and its Coordinator open access to all correctional facilities 24/7, 365 days a year, future directors may not. DCR firmly believes that to collectively address and resolve the many, many long-standing challenges facing DCR, it must be made clear in the statute that HCSOC and DCR are partners.

Thank you for the opportunity to submit comments on HB 1002, HD 1, SD 1.

SUBJECT: House Bill 1002, House Draft 1, Senate Draft 1, Relating to the Hawaii  
Correctional System Oversight Commission  
Hearing: Tuesday, March 25, 2025; 10:01 a.m.  
State Capitol, Room 016

Chair Rhoads, Vice Chair Gabbard, and Members of the Committee:

The Hawaii Correctional System Oversight Commission (HCSOC) **supports and offers comments** on House Bill 1002, House Draft 1, Senate Draft 1, Relating to the Hawaii Correctional System Oversight Commission, which would extend the term of the Oversight Coordinator for the Hawaii Correctional System Oversight Commission, and clarifies that the Oversight Coordinator has the general authority to inspect agencies and correctional facilities without notice.

Currently, the Oversight Coordinator shall serve two-year terms, however, the Commission found that a two-year term does not provide sufficient time to fully understand the role, build relationships, develop and implement meaningful policies or projects. Short terms can hinder the ability to make significant progress or see initiatives through to completion. Additionally, frequent turnover can disrupt continuity, leading to inconsistent strategies and priorities that may undermine the effectiveness of the position and the Commission as a whole.

Although the Commission appreciates the page 1, line 11 extension from two years to three years, the Commission worries that even a three-year term offers the same issues as noted above. A three-year term may reduce long-term accountability, as appointees might focus on short-term achievements or avoid controversy, and it offers limited job security when attempting to attract top talent. Additionally, there is no other governor-appointed position in the state with a two- or three-year term. To maintain consistency, the Commission believes the Oversight Coordinator's term should align with similar positions. Therefore, the Commission requests a 4- or 6-year term in keeping with other governor-appointed roles statewide.

The Commission greatly appreciates the added verbiage on page 1, lines 11-15 adding the Commission's ability to make a recommendation to the Governor to retain the Oversight Coordinator for another term. The Commission is thrilled that the current Oversight Coordinator was chosen to serve a second term, however, the amount of time, effort, and resources that were put into the interview process after two short years were significant. This process, repeated too often, creates inefficiencies.

Regarding the proposed amendment on page 2, line 1 subsection (c), the bill's language ensures unfettered access to information and correctional facilities, allowing the Oversight Coordinator to fulfill their mandated duties of not only completing investigations, but also overseeing, monitoring, and reviewing correctional and reentry practices. Unfettered access for oversight entities is essential for ensuring transparency, accountability, and the protection of people and custody and staff. It allows for thorough inspections, assessments, review of practices, deters misconduct, and promotes adherence to regulations. This access helps uncover and address issues like poor conditions or abuse, ensuring humane treatment and fostering public trust in the corrections system.

Should you have additional questions, the Oversight Coordinator, Christin Johnson, can be reached at 808-900-2200 or at [christin.m.johnson@hawaii.gov](mailto:christin.m.johnson@hawaii.gov). Thank you for the opportunity to testify.

Dear Chair Rhoads, Vice Chair Gabbard, and Members of the Senate Committee on Judiciary:

The Office of Hawaiian Affairs (OHA) **SUPPORTS** HB 1002 HD 1 SD 1 which would, beginning July 1, 2025, extend the term of the Oversight Coordinator for the Hawai'i Correctional System Oversight Commission and authorize the Commission to review the Coordinator's performance and make a recommendation to the Governor as to whether the Coordinator should be retained. This measure would further clarify that the Oversight Coordinator has the general authority to inspect agencies and correctional facilities without notice.

OHA strongly supports policies which reduce harmful psychological, social, cultural, and economic impacts on pa'ahao, their 'ohana, and the greater Hawaiian community. Native Hawaiians continue to be disproportionately impacted by Hawai'i's criminal justice system, comprising approximately 37% of the state's correctional facilities, while representing only 21% of the total state population.<sup>1</sup> Allowing three-year terms for Coordinators will provide them with a sufficient window of time to effectively investigate unconstitutional conditions of confinement, lack of medical and mental health services, suicides, drug smuggling, cruel and unusual punishment, prison rape, assaults, and even murders, with the purpose of prevention and remedial action.

For these reasons, OHA urges this committee to **PASS HB 1002 HD 1 SD 1**. Mahalo nui for the opportunity to testify.

Re: **Testimony of the ACLU of Hawai'i in SUPPORT of H.B. 1002 H.D.1 S.D.1 Relating to the Hawaii Correctional System Oversight Commission with an Amendment**

Dear Chair Rhoads, Vice Chair Gabbard, and Members of the Committee:

The American Civil Liberties Union of Hawai'i ("ACLU of Hawai'i") **supports H.B. 1002 H.D.1 S.D.1 and requests an amendment.** The bill proposes to extend the term of the Oversight Coordinator for the Hawai'i Correctional System Oversight Commission beginning July 1, 2025 and authorizes the Hawai'i Correctional System Oversight Commission to review the Coordinator's performance and make a recommendation to the Governor as to whether the Coordinator should be retained. Additionally, the bill clarifies that the Oversight Coordinator has the general authority to inspect agencies and correctional facilities without notice.

### ***Essential Elements of an Effective Prison Monitoring System***

Michele Deitch, an attorney, distinguished senior lecturer at the LBJ School and Texas Law, and Director of the Prison and Jail Innovation Lab, is a recognized national and international expert on prison oversight. Deitch co-chairs the ABA's Subcommittee on Correctional Oversight and has published extensively on the essential elements of an effective prison monitoring system. These elements are outlined below:

- **They must be independent of the correctional agency and able to do their work without interference or pressure from the agency or any other body;**
- **Monitors must have unfettered and confidential access to facilities, incarcerated persons, staff, documents, and materials, and they should have the ability to visit at any time of the day without prior notice;**
- They must be adequately resourced, with sufficient staffing, office space and funding to carry out their monitoring responsibilities, and the budget must be controlled by the monitoring entity;

- They must have the power and the duty to report their findings and recommendations, in order to fulfill the objective of transparency, and control the release of their reports and
- They must take a holistic approach to evaluating the treatment of incarcerated persons, relying on observations, interviews, surveys, and other methods of gathering information from prisoners as well as on statistics and performance based outcome measures.<sup>1</sup>

Jails and prisons are our most closed institutions. Unfettered access should be codified in statute as it is essential to building the oversight infrastructure necessary for meaningful oversight. It is also essential to investigate and bring attention to unconstitutional conditions of confinement, lack of medical and mental health services, suicides, drug smuggling, cruel and unusual punishment, prison rape, violence, and even murders, with the purpose of prevention and remedial action. This is an important opportunity to codify in statute that the Oversight Coordinator has unfettered access to our jails and prisons.

### **Proposed Amendments**

- Extend the Oversight Coordinator's position from three to four years.

For the above reasons, we urge the Committee to support this measure with the proposed amendment to ensure an independent Oversight Commission. Thank you for the opportunity to testify.

Sincerely,

## STRONG SUPPORT FOR HB 1002 HD1, SD1 - HI CORR SYS OVERSIGHT COMMISSION

Aloha e Chair Rhoads, Vice Chair Gabbard and Members of the Committee!

My name is Kat Brady and I am the Coordinator of Community Alliance on Prisons, a community initiative promoting smart justice policies in Hawai'i for more than two decades. This testimony is respectfully offered on behalf of the 3,727 Hawai'i individuals living behind bars<sup>1</sup> and under the "care and custody" of the Department of Corrections and Rehabilitation as of March 17, 2025. We are always mindful that 936 - 49.6% - of Hawai'i's male prison population are serving their sentences abroad -- thousands of miles away from their loved ones, their homes and, for the disproportionate number of incarcerated Kanaka Maoli, far, far from their ancestral lands.

Community Alliance on Prisons appreciates this opportunity to share our strong support for HB 1002 HD1, SD1 that extends the term of the Oversight Coordinator, authorizes the Commission to review the Coordinator's performance and make a recommendation to the Governor as to whether the Coordinator should be retained, and gives the Commission unfettered access to agencies and correctional facilities.

The Commission's work is monumental, especially since we have had an unprecedented number of deaths and suicides at different facilities since 2020. Oversight is quite different than running a state agency, making continuity a very important part of their work. To have to go through the hiring process while our jails and prisons are in crisis is foolish. We are glad this bill provides for the Commission to review the Coordinator's performance and make a recommendation to the Governor..

Community Alliance on Prisons has attended almost every Commission meeting since 2020, before they even had a Coordinator, and we can say that having a Coordinator has made an amazing difference in the scope of work the Commission has embarked upon since being hired in July 2022. We urge the committee to support this important bill so that Hawai'i can join the many other states that see the enormous benefit of Correctional Oversight! Mahalo nui!

RE: HB 1002 HD1 SD1 Relating to the Hawaii Correctional System Oversight Commission

POSITION: STRONG SUPPORT

Thank you for the opportunity to testify in strong support of HB 1002 HD1 SD1 Relating to the Hawaii Correctional System Oversight Commission (HCSOC) which would extend the term of the oversight coordinator for the Commission and clarifies that the oversight coordinator has the general authority to inspect agencies and correctional facilities without notice, beginning July 1, 2025. The measure also authorizes the Commission to review the Coordinator's performance and make a recommendation to the Governor as to whether the Coordinator should be retained.

I believe the oversight coordinator's position is essential to maintain an effective oversight infrastructure and the position deserves a term extension from the current 2 years. The position will bring attention to conditions in our correctional institutions that need attention and improvement and provide the transparency necessary for institutions that are charged with caring for incarcerated individuals.

Independent oversight provides taxpayers the assurance that individuals under the control of the corrections system are being held appropriately and are receiving needed medical and mental health services; and have access to rehabilitative programming.

HCSOC's report: "Correctional Staff Survey, Findings, and Recommendations" which was presented to the legislature this year shows the need for reform and provides recommendations to provide a safer and supportive environment for both staff and incarcerated individuals. As a taxpayer, I am thankful for the diligence and dedication of the staff to undertake such a time intensive project: to conduct the survey, compile key findings and make informed recommendations.

I respectfully ask the committee to pass this measure.
