RELATING TO PLANS.

Chair Sayama, Vice Chair Lee, and Members of the Committee, thank you for the opportunity to submit testimony on this measure.

The Department of Accounting and General Services (DAGS) strongly **supports** H.B. 989 which removes outdated requirements for plans filed with the registrar's office; updates the statutory fee schedule; grants additional discretion to the DAGS to approve the format of plans; and updates permissible drawing scales used in plans.

H.B. 989 is a DAGS administrative measure which makes housekeeping amendments that remove outdated requirements, updates the fee schedule and grants additional discretion to DAGS which will improve overall operations of the division.

Thank you for the opportunity to provide testimony on this measure.
