Chair Dela Cruz and Members of the Committee:

The Department of the Attorney General (Department) supports this bill.

The purpose of this bill is to seek appropriations to satisfy claims against the State, its officers, or its employees, including claims for legislative relief, judgments against the State, settlements, and miscellaneous claims.

The bill contains twenty-three claims that total \$6,569,381.07. To satisfy this total amount, the following appropriations are needed:

- An appropriation in the amount of \$5,229,381.07, allocated among twenty claims to be paid from the general fund; and
- An appropriation in the amount of \$1,340,000.00, allocated among three claims to be paid from departmental funds.

Attachment "A" provides a brief description of each claim in this bill.

Since the bill was last amended, eight new claims were resolved that total \$1,285,077.67. To satisfy these additional claims, the Department requests that the bill be amended to increase the requested appropriation by the amount of \$1,285,077.67 allocated among eight claims as follows:

- An appropriation in the amount of \$1,215,077.67, allocated among seven claims to be paid from the general fund; and

- An appropriation in the amount of \$70,000.00, allocated to one claim to be paid from departmental funds.

Attachment "B" provides a brief description of the new claims.

Including the new claims, the appropriation request totals \$7,854,458.74 allocated among thirty-one claims, with the updated appropriation request as follows:

- An appropriation in the amount of \$6,444,458.74, allocated among twenty-seven claims to be paid from the general fund; and
- An appropriation in the amount of \$1,410,000.00, allocated among four claims to be paid from departmental funds.

The Department has a longstanding policy of advising agencies as to how to avoid claims such as those in this bill. The Department has complied with section 37-77.5, Hawaii Revised Statutes (HRS), which requires the Attorney General to develop and implement a procedure for advising our client agencies on how to avoid future claims.

We respectfully request passage of this bill with amendments to correct the errors described above and to add the new claims.

DEPARTMENT OF THE ATTORNEY GENERAL:

Billy Peter v. Anne E. Lopez
Civil No. 24-cv-00508 MWJS-RT, USDC

\$ 28,500.00 *(General Fund)*
Judgment

Plaintiff Billy Peter (Peter) is a citizen of the Federated States of Micronesia (FSM). He resides in the United States pursuant to the Compact of Free Association (COFA) between the United States and FSM. Peter sought a permit to acquire a firearm, but was informed by the Honolulu Police Department that he could not be issued a firearm permit because of his immigration status as a COFA migrant. Peter then filed a lawsuit asserting that section 134-2(d)(1), HRS, violates the Second Amendment and the Equal Protection Clause of the Fourteenth Amendment to the extent that it prohibits COFA migrants from acquiring or possessing firearms on the basis of their COFA status. The parties agreed to a stipulated judgment.

DEPARTMENT OF DEFENSE:

Paul Aker v. Hawaii Emergency
Management Agency
Civil No. 2CCV-23-0000378, Second Circuit

\$ 5,000.00 *(General Fund)*
Settlement

Plaintiff Paul Aker (Aker), who does business in the State as Aker Media and Maui Alert, claimed that on August 25, 2023, he submitted four requests to the Hawaii Emergency Management Agency (HIEMA) pursuant to the State's Uniform Information Practices Act (UIPA) seeking records concerning the Maui wildfires. HIEMA has no record of receiving any of Aker's requests. It was not until Aker filed this lawsuit, which was served on HIEMA on December 20, 2023, that HIEMA learned of Aker's UIPA requests. However, because of the numerous records requests that HIEMA received concerning the Maui wildfires, HIEMA was not able to finish searching for and providing copies of the records to Aker until August 21, 2024, which was past the deadlines under the UIPA. The settlement amount is for Aker's attorneys' fees as provided under UIPA section 92F-15, HRS.

James Sean Shields v. State of Hawaii
Civil No. 18-1-1897-11 VLC, First Circuit

\$ 275,000.00 *(General Fund)*
Settlement

During a drill on January 13, 2018, an employee of the Hawaii Emergency Management Agency (HI-EMA), a division of the State's Department of Defense, mistakenly sent a text message alert to cellular phones across the State warning of an incoming ballistic missile threat. Shortly after receiving this alert, Plaintiff James Sean Shields (Shields) had a cardiac episode, which required surgery and hospitalization. Shields' girlfriend, Plaintiff Brenda Reichel, was with Shields at the time he received the text message alert

and experienced the cardiac episode. Plaintiffs alleged gross negligence against the State and certain HI-EMA employees.

DEPARTMENT OF EDUCATION:

B.R., M.A., and F.R. v. State of Hawaii
Civil No. 1CCV-20-0000549, First Circuit

\$ 330,000.00 (*General Fund*)
Settlement

Plaintiffs B.R., M.A., and F.R. sued the Department of Education (DOE) seeking damages for gross negligence pursuant to section 657-1.8, HRS, alleging that the DOE failed to protect them from sexual abuse perpetrated by a school security guard while they were students at the Highlands Intermediate School in the mid-1970s. The security guard led and supervised two school programs, an "Indian Dance Program" and a "Campus Police Officer Program." Both programs included activities conducted at the Highlands Intermediate School premises as well as activities conducted off-campus with the permission of DOE. The Plaintiffs alleged that the school security guard sexually assaulted them and other students on and off-campus during their participation in these programs. Plaintiffs B.R. and M.A. settled their claims in this lawsuit. Plaintiff F.R. voluntarily dismissed his claims before the case settled.

Katherine Balatico v. State of Hawaii
Civil No. 22-cv-0415-LEK-KJM, USDC

\$ 150,000.00 (*General Fund*)
Settlement

Plaintiff Katherine Balatico (Balatico), who is a former Principal of Stevenson Middle School, received four communications of a sexual and violent nature from an unknown person over the span of eight months from May 2020 through January 2021. The Department of Education (DOE), the Honolulu Police Department (HPD) and the Federal Bureau of Investigations, in consultation with the Hawaii Fusion Center, investigated these threats to no avail. During the investigation of these communications, DOE provided Plaintiff with supportive measures, including the development and implementation of a safety plan for Balatico, private security at her home and at school, installation of additional security cameras on campus and a card scanner to lock access to the administration building, upgrades to the school's telephone system, and hiring additional campus security personnel. DOE later terminated the safety plan and posted a vacancy announcement for Balatico's position while Balatico was on Worker's Compensation leave, which Balatico construed as termination of her employment. Plaintiff filed this lawsuit claiming that these and other actions or inactions were retaliatory in violation of Title IX of the Education Amendments of 1974, 20 U.S.C. § 1681 and Title VII of the Civil Rights Act of 1964, 42 U.S.C. § 2000e *et seq.* Balatico also asserted various state law tort claims, including negligence, gross negligence, and negligent and intentional infliction of emotional distress, which were dismissed without prejudice. Balatico sought economic, non-economic and punitive damages, as well as attorneys' fees and costs.

**Child Evangelism Fellowship of Hawaii, Inc. v.
Hawaii State Department of Education
Civil No. 24-cv-00034 MWJS-WRP, USDC**

**\$ 100,000.00 (General Fund)
Judgment**

This lawsuit was filed by Child Evangelism Fellowship of Hawaii, Inc. (CEF) against the Department of Education (DOE) alleging violations of the Free Exercise clause in the First Amendment and the Equal Protection clause in the Fourteenth Amendment to the United States Constitution. CEF is a Christian, nonprofit organization that uses DOE facilities pursuant to chapter 8-39, Hawaii Administrative Rules, to host its after-school Good News Clubs. Unlike other similarly situated organizations, the DOE required CEF to pay rental fees to use DOE facilities. As a result of this lawsuit, the DOE has agreed to stop charging CEF rental fees.

**Brenda Persinger, Individually and as a

Michael Ambrose, Deceased v. State of Hawaii,
Department of Education
Civil No. 3CCV-22-0000337, First Circuit**

**\$1,750,000.00 (General Fund)
Settlement**

On June 13, 2022, a Department of Education (DOE) special education teacher was asked by her supervisor to bring supplies from a DOE office to a park to help set up a DOE-run summer camp for special needs students. The teacher was driving to the park along Highway 19 on Hawaii Island when she realized that she had missed her turn. The teacher then made a turn on the highway crossing over the double yellow line to head back in the other direction. Although the teacher had intended to make a U-turn, the highway was too narrow. Unable to complete the U-turn, the teacher then had to make a three-point turn, which caused her vehicle to partially block both lanes of the highway. At this time, a motorcyclist who was traveling on the highway struck the teacher's vehicle and died as a result of the accident. Police found the teacher at fault. The motorcyclist's widow filed a wrongful death lawsuit against the teacher and the DOE alleging that the teacher negligently caused the accident while in the course and scope of her employment for the DOE and that the DOE was vicariously liable for the teacher's negligence.

**Jake Ferreira v. State of Hawaii,
Department of Education
Civil No. 1CCV-23-0000874, First Circuit**

**\$ 75,000.00 (General Fund)
Settlement**

On October 22, 2021, Plaintiff Jake Ferreira (Ferreira) was a student at Castle High School. That day, Ferreira and another student were asked by a DOE teacher to assist with setting up a mechanical log splitter during an agriculture class. The log splitter was going to be used to split wood for the school's annual Thanksgiving imu fundraiser. While Ferreira and the other student were attempting to set-up the log splitter, Ferreira's left pinky finger got caught in a pinch point on the machine causing his finger to be

severed. Ferreira filed a lawsuit against the DOE and the teacher alleging that their negligent actions and/or omissions caused Ferreira's injury.

DEPARTMENT OF HAWAIIAN HOME LANDS:

**Royal Contracting Company, Ltd. v.
Department of Hawaiian Home Lands
Civil No. 1CCV-16-1760-09, First Circuit**

**\$ 400,000.00 (General Fund)
Settlement**

This case involved a highly technical dispute regarding the quantity of non-expansive coral fill required for grading a Department of Hawaiian Home Lands (DHHL) subdivision in Kapolei. Royal Contracting Company, Ltd. (Royal) alleged that DHHL's bid documents did not clearly state the amount of fill required, which allegedly caused Royal to import additional fill at its expense. The parties settled this case after multiple rounds of mediation over the course of several years.

DEPARTMENT OF LAND AND NATURAL RESOURCES:

**Jennifer Reber v. State of Hawaii
Civil No. 5CCV-23-0000053, Fifth Circuit**

**\$ 450,000.00 (General Fund)
Settlement**

On May 20, 2021, Plaintiff Jennifer Reber (Reber) slipped and fell onto a piece of rebar protruding from the ground while hiking on a trail leading to Waipoo Falls, which is located at Kokee and Waimea Canyon State Park on Kauai, Hawaii. The rebar spike impaled Reber's lower right thigh. First responders transported Reber to the nearest hospital where she was treated and released. After returning to her home in Utah, Reber underwent reconstructive surgery and physical therapy.

**Brenda Osmer
Tort Claim**

**\$ 100,000.00 (General Fund)
Settlement**

Brenda Osmer (Osmer) was visiting Waimea Canyon State Park on June 15, 2023. She was with her husband when they headed down the walkway from the Waimea Canyon lookout. Around the middle of the walkway, Osmer slipped on a steel diamond plate that was covering a small drainage ditch. Osmer fell and fractured her femur in the mid-thigh area of her right leg. According to Osmer, her husband, and two witnesses, there was a light sprinkling of rain prior to the incident. The two witnesses provided a statement that another person had fallen in the same area right before this incident. Osmer was taken by ambulance to the Wilcox Medical Center. Surgery was done the following day where a metal plate and screws were used to repair the fracture. The Department of Land and Natural Resources had no notice of anyone falling on the steel plate prior to June 15, 2023. After this incident, the steel plate was coated with a paint and sand mixture to make it less slippery and anti-slip tape was applied to the top of the steel plate to make it safer.

DEPARTMENT OF LAW ENFORCEMENT:

Cresencia Espejo v. State of Hawaii
Civil No. 1CCV-21-0000192, First Circuit

\$ 750,000.00 *(General Fund)*
Settlement

On February 18, 2019, Defendant Deputy Sheriff Gregory Bergman (Deputy Bergman) was patrolling the Hawaii State Capitol grounds when he encountered Delmar Espejo (Espejo) drinking vodka in public in violation of state law. Espejo refused to comply with Bergman's requests to pour out the vodka. A physical altercation ensued, which led to Deputy Bergman fatally shooting Espejo. Espejo's estate, mother, brothers, and sister brought this lawsuit against Deputy Bergman and the State asserting state law claims and civil rights claims pursuant to 42 U.S.C. § 1983. Plaintiffs alleged that Deputy Bergman's use of force against Espejo was excessive force and the State did not properly train or supervise Deputy Bergman.

DEPARTMENT OF TAXATION:

Deborah Kwan v. State of Hawaii
Civil No. 1CCV-21-0000424, First Circuit

\$ 32,632.85 *(General Fund)*
Settlement

Plaintiff Deborah Kwan (Kwan) is a former Public Information Officer (PIO) for the Department of Taxation (DoTax). Kwan held a limited term appointment as an exempt employee, and her appointment had been renewed annually upon its expiration. Kwan was also enlisted in the Air National Guard. On December 31, 2019, Kwan requested military leave from DoTax so that she could fulfill duties for the Air National Guard. The leave request was not approved and eventually her contract for the PIO position within DoTax was not renewed. Kwan filed this lawsuit against DoTax alleging violations of the State's employment practices laws, section 378-2(a)(4), HRS, and the Uniformed Services Employment and Reemployment Rights Act, 38 U.S.C. § 4301. She claimed that she was terminated because of her membership in the National Guard, she was retaliated against because of her membership in the military and/or her making a complaint, and she should have been returned to her position within DoTax upon the completion of her military training.

DEPARTMENT OF TRANSPORTATION:

Juan Jimmie Aldeguer v. State of Hawaii
Civil No. 1CCV-21-0000052, First Circuit

\$ 1,075,000.00 *(Dept. Appropriation)*
Settlement

This case arises out of a pedestrian and motor vehicle accident that occurred on January 18, 2019, at approximately 6:36 p.m. at the Farrington Highway and Linakola Street intersection crosswalk in Maili along the west coast of Oahu. Juan Jimmie Lee Wills-Aldeguer, Jr., and his female companion entered the crosswalk from the parking lot of the Maili-Pink Market located on mauka side of the highway and were walking toward the Maili Beach Park when they were struck by a northbound-Waianae-bound

vehicle. Mr. Wills-Aldeguer landed over the center line where he was then struck by a southbound-Honolulu-bound vehicle. Mr. Wills-Aldeguer died as the result of the injuries he sustained in the accident. The driver of the northbound vehicle settled with Plaintiff, the decedent's father. The driver of the southbound vehicle is a Japanese national against whom Plaintiff obtained default. The complaint alleged, among other things, that the crosswalk presented a hazard to pedestrians, and that the Department of Transportation (DOT) was negligent in the design and maintenance of the crosswalk. Prior to the subject accident, DOT had its private engineering consultant study pedestrian safety along the Farrington Highway corridor from the Kahe Power Plant to the end of Makaha. In April 2017, DOT's consultant determined that there were thirteen marked but unsignalized crosswalks in the corridor, including the subject crosswalk. Many of these crosswalks had between one to three prior crossing accidents and had very low pedestrian usage. The consultant recommended that the crosswalks be removed as part of a comprehensive redesign and resurfacing the corridor that would also include the consolidation and relocations of some bus stops and bus stop facilities. Because of the comprehensive scope of the project and the traffic control-contra-flow necessary during construction, the project was divided into Phases 1 and 2. Phase 1 included the Nakakuli area. Phase 2 included the Maili, Waianae, and Makaha areas, including the Farrington Highway and Linakola Street intersection site of the accident. Phase 1 began in 2018. Phase 2 began after the completion of Phase 1. The subject accident occurred while work on Phase 1 was being completed and before work on Phase 2 had begun.

Estate of Bruce Perdue v. State of Hawaii
Civil No. 5CC131000351, Fifth Circuit

\$ 175,000.00 (*Dept. Appropriation*)
Settlement

This case arises out of a single motor vehicle accident that occurred in the early morning hours on May 21, 2012, in Kapaa, Lihue, Kauai. Bruce Perdue was driving north on the Kuhio Highway toward Kapaa town when he was involved in an accident. The post-accident police investigation indicated that, as he approached Mile Post 7, Mr. Perdue was driving in excess of the posted speed when he drove off the travel portion of the highway, off the paved shoulder, and struck a utility pole. He died as the result of the injuries he sustained in the accident. At the time of his death, he was employed with the National Guard. Plaintiffs include Mr. Perdue's parents and two siblings, in addition to the estate. The State of Hawaii (State) owns Kuhio Highway. Kaua'i Island Utility Cooperative and Hawaiian Telcom owned the utility pole. Plaintiffs sued the State for negligent design and operation of the highway and for maintenance of hazards conditions on the highway including the utility pole. Plaintiffs dismissed their claims against the utility companies. The subject utility pole was within the State's highway right-of-way/paved shoulder. Plaintiffs' experts opined that the shoulder should have been free of hazardous conditions such as the utility pole, that the State should have moved the subject pole after two prior utility pole accidents, had a guardrail installed along the highway to prevent vehicles from striking the pole, and/or used other traffic control devices such as plastic delineators to highlight the presence of the pole. The State's experts opined that the highway was designed in conformance with applicable

engineering guidelines, that guardrail installation might increase the occurrence of different types of accidents at the site, and that the entire utility line and a number of poles along the line would need to be re-designed and relocated by the utility companies in order to relocate the subject pole.

STATE OF HAWAII JUDICIARY:

Lisa Ann Daguro v. State of Hawaii
Civil No. 1CCV-20-0001475, First Circuit

\$ 70,000.00 (General Fund)
Settlement

Plaintiff Lisa Ann Daguro (Daguro) filed this lawsuit against the State of Hawaii (State) and the City and County of Honolulu (City) seeking damages for injuries she sustained on November 20, 2018, when she tripped and fell on a cracked and uplifted portion of the sidewalk on Halekauwila Street mauka of the Circuit Court of the First Circuit building, Kaahumanu Hale, located at 777 Punchbowl Street (Kaahumanu Hale). This sidewalk is owned and controlled by the City. The State owns Kaahumanu Hale. It was determined that the uplift of the sidewalk had been caused by a root from a nearby monkeypod tree on the Kaahumanu Hale grounds. Although the City was responsible for inspecting and maintaining the sidewalk and the State was responsible for keeping the sidewalk clear of debris, neither the City nor the State noticed the crack and uplift in the sidewalk prior to the incident. However, the evidence showed that the State had been placed on notice that monkeypod trees had caused uplifts in sidewalks in the vicinity of Kaahumanu Hale in the past. Daguro alleged that the State, therefore, breached its duty of care to Daguro. Daguro alleged that as a result of the incident, she suffered injuries to her right knee and to her back and may require a total knee replacement in the future.

Leanne Rosa v. Randall G.B. Valenciano
Civil No. 23-CV-00315-JAO-WRP, USDC

\$ 90,000.00 (Dept. Appropriation)
Settlement

Plaintiff Leanne Rosa (Rosa) was at all relevant times a judicial assistant at the Fifth Circuit Court, State of Hawaii. Rosa brought a lawsuit against Chief Judge Randal G.B. Valenciano (Judge Valenciano) alleging that he subjected her to unwanted "hugs" in 2015 and during 2018 through 2023. Rosa asserted a claim under Title VII and/or 42 U.S.C. § 2000e and state law claims of Intentional Infliction of Emotional Distress and Negligence.

DEPARTMENT OF HEALTH:

Jon R. Chung v. State of Hawaii
Civil No. 2CCV-22-0000006, Second Circuit

\$ 50,000.00 *(General Fund)*
Settlement

Plaintiff Jon R. Chung (Chung) filed this lawsuit against the State of Hawaii (State) seeking damages for injuries allegedly sustained on July 9, 2018, when he was injured in a trip and fall incident that occurred on a pier in Kalaupapa. The incident occurred at approximately 10:00 p.m., when Chung went to check on a couple of his companions who were fishing on the pier. While walking on the pier, Chung tripped and fell approximately nine feet off the pier. Chung claims that he tripped and fell from the pier due to the lack of lighting and absence of safety railings.

Chung was part of a group who visited Kalaupapa on an annual basis to host a bingo night for the residents of Kalaupapa. The residents of Kalaupapa, rather than the State, sponsored the group's visits. Chung alleged that the State breached its duties to Chung because the documents that the State provided to persons entering Kalaupapa, including Chung, did not include a notice of the dangers present at the Kalaupapa pier, including the lack of lighting at the Kalaupapa pier. Chung claimed that he suffered several broken bones, including four vertebrae in his back, and a laceration on his head as a result of the State's alleged negligence.

Kamaka Air, LLC
Tort Claim

\$ 298,000.00 *(General Fund)*
Settlement

Kamaka Air, LLC (Kamaka Air) submitted this tort claim seeking to recover repair costs and losses it claims it incurred as a result of damage to an aircraft it owned and operated that was caused by an employee of the State of Hawaii, Department of Health (DOH), Hansens Disease Branch. On May 11, 2023, the DOH employee was operating a State-owned delivery vehicle at the Kalaupapa Airport when he accidentally reversed the vehicle into the Kamaka Air aircraft, causing damage to the aircraft's fuselage and wing. DOH did not dispute that it was responsible for the costs to repair the aircraft and Kamaka Air provided the State with documentation to verify the repair costs.

DEPARTMENT OF HUMAN SERVICES:

John Roe No. 121 v. State of Hawaii
Civil No. 1CC191001419, First Circuit

\$ 512,700.83 *(General Fund)*
Judgment

Plaintiff John Roe No. 121 (Roe) filed this lawsuit against the State of Hawaii (State) and John A. Teixeira (Teixeira) seeking damages for injuries allegedly resulting from sexual abuse that he claims he was subjected to in Teixeira's home between 1998 and 2003. The Department of Human Services (DHS) had legal custody of Roe, who was

eight years old at the time of his placement in Teixeira's home. Roe had been removed from several foster homes prior to his placement with Teixeira due to behavioral issues. DHS placed Roe with Teixeira, who was already fostering several teenage boys, because Teixeira had an excellent record dealing with troubled boys. The case was tried before the court, after which the court found that Roe was sexually abused while living at the Teixeira home, DHS was grossly negligent in its placement of Roe in the Teixeira home with the troubled teenage boys, and DHS failed to properly monitor Roe through regular visits. The court awarded \$45,000.00 in special damages and \$450,000.00 in general damages against the State for a total amount of \$495,000.00, plus interest, finding that Roe suffered and would continue to suffer pain and suffering, loss of enjoyment of life, and emotional distress.

DEPARTMENT OF LAND AND NATURAL RESOURCES:

Anela Aplaca v. State of Hawaii
Civil No. 1CCV-23-0000193, First Circuit

\$ 115,000.00 (*General Fund*)
Settlement

Plaintiff Anela Aplaca (Aplaca) filed this lawsuit against the State and the City and County of Honolulu (County) seeking damages for injuries she allegedly sustained as a result of an incident that occurred on May 21, 2022, on a sidewalk adjacent to a parking lot located near Wilikina Drive in Wahiawa. Aplaca alleged that around 9:00 p.m., as she was walking along the sidewalk, her left foot was caught in a crevice or gap in the sidewalk, causing her to fall and break her ankle. Aplaca alleged that the sidewalk in that area was in a defective condition and posed an unreasonable risk of harm. Aplaca alleged that the State and the County failed to take appropriate action to fix the condition or warn expected users of the sidewalk of the dangerous condition. It was discovered during the course of litigation that the State, rather than the County, owned and controlled the subject sidewalk.

DEPARTMENT OF TRANSPORTATION:

Susanna Sigal v. State of Hawaii
Civil No. 1CCV-20-0001486, First Circuit

\$ 70,000.00 (*Dept. Appropriation*)
Settlement

Plaintiff Susanna Sigal (Sigal), a resident of New York, brought this lawsuit against the State and other defendants seeking damages for injuries she allegedly sustained as a result of a trip-and-fall incident that occurred on the walkway fronting the Discovery Bay Center on Ala Moana Boulevard on October 21, 2020. Sigal alleged that she was on an evening walk with her daughter when her foot became caught on a raised edge where the sidewalk leading to the Discovery Bay Center met the Discovery Bay Center's tiled entrance area, which caused her to fall to the ground and suffer a right femur hip fracture. The State owned and controlled the subject sidewalk. Sigal claimed that the defendants were on notice of the alleged defect, that it was reasonably foreseeable to defendants that the condition on the walkway posed an unreasonable risk of harm, and

that they failed to take corrective action to prevent harm to persons walking in the Discovery Bay Center's common area, including Sigal.
