

Overview

A. Mission Statement

The Office of Hawaiian Affairs (OHA) mission is to mālama Hawai‘i’s people and environmental resources, and OHA’s assets, toward ensuring the perpetuation of the culture, the enhancement of lifestyle and the protection of entitlements of Native Hawaiians, while enabling the building of a strong and healthy Hawaiian people and lāhui, recognized nationally and internationally.

Strategic Objectives

OHA’s Strategic Plan “Mana i Maui Ola” (Strength to Wellbeing) includes three foundations: ‘ohana (family), mo‘omeheu (culture), and ‘āina (land and water). OHA recognizes these foundations have the power to affect the wellbeing of Native Hawaiians. Therefore, they are woven into OHA’s plans to affect change in the areas of education, health, housing, and economics. These four directions will be used to guide OHA’s work to better the conditions of Native Hawaiians. Over the next 15 years, OHA will be implementing strategies, aligned with our foundations and directions to achieve our envisioned outcomes for a thriving and abundant lāhui.

B. Office of Hawaiian Affairs Achievements (November 2023 - Fiscal Year 2024)

Under the stewardship of the newly appointed CEO in November 2023, the Office of Hawaiian Affairs (OHA) has made significant strides in addressing long-standing challenges, fostering accountability, and setting the foundation for future initiatives. Despite initial hurdles—including a lack of momentum on the 15-year strategic plan, post-pandemic operational adjustments, and systemic issues affecting Native Hawaiian well-being—the Board of Trustees and executive leadership have successfully tackled critical priorities and achieved the following:

- **Public Land Trust Working Group:** Convened monthly meetings and drafted final report and legislation for appropriations to conduct an audit of the PLT inventory.

Transparency and Accountability

- **Performance and Land Legacy Audits:** Completed essential audits for organizational accountability.
- **Annual Report:** Published the 2024 Annual Report to highlight OHA’s accomplishments.

Community Engagement

- **Maui Wildfire Relief:** Allocated \$5 million for wildfire survivor aid, including \$2 million in housing vouchers and gift cards and the establishment of a new supply facility to store and distribute relief donations of food, clothes, household goods, etc.
- **BOT Island Meetings:** Held community sessions across Moloka‘i, Kaua‘i, Maui, Lāna‘i, Hawai‘i Island, and O‘ahu.

These accomplishments underscore OHA’s commitment to fiscal responsibility, operational excellence, and addressing systemic issues affecting Native Hawaiians. Moving forward, the Board of Trustees and leadership team remain focused on enhancing the well-being of the lāhui and building a sustainable future for the organization.

C. Federal Funds

None.

D. Non-General Funds

OHA has not previously submitted NG Fund Reports. Submissions for FY’s 2025-2026 will be posted on the B&F website. [Department of Budget and Finance | Reports on Non-General Fund Information — Fiscal Years 2016-2022 \(Submitted 2020\)](#). See OHA’s Non-General Fund Report

E. Budget Requests

This year, OHA is requesting a \$1,858,454 increase in FY26 and \$1,996, 208 in general fund appropriations from the 2025 Legislature. The increases are reflected in the FY26 and FY27 biennium budget totals of \$4.8M and \$4.9M, respectively. The OHA Budget Bill requests appropriations for the following purposes:

As in past practice, OHA has requested general funds for payroll costs through its legislative budget bill. This biennium budget seeks funding for the newly created 13-member Strategy and Implementation Team to achieve OHA's legislative mandates outlined in HRS §10 (Better the Conditions of Native Hawaiians) and §10H (Native Hawaiian Recognition) and the agency's 15-year Strategic Plan, Mana i Maui Ola.

Additionally, budget housekeeping is noted with the reduction of Full Time Equivalent (FTE) in OHA 150 - General Funds, OHA 160 - Trust Funds, and OHA 175 - General and Trust Funds by amending ACT 71, SLH 2023.

The annual budgeted amounts are adjusted by a 3% increase to reflect the 5-year Hawai'i Consumer Price Index for the last 5 years, the beginning of Mana i Maui Ola OHA's 15-year Strategic Plan for 2020 – 2035. This adjustment reflects an attempt to close the funding gap created by the annual cost of living increases that have not been factored into the budget previously. To ensure the agency can adequately serve current and future beneficiaries, it is critical that OHA's budget requests reflect both inflationary and programmatic costs.

OHA160	AB	AR	1	1	Requesting a general fund appropriation to fully-fund (13) Permanent FTE for OHA's newly created Strategy and Implementation Division tasked with strategy and tactic development to accomplished goals and outcomes outlined in OHA's Mana i Maui Ola 15-year strategic plan.	<p>OHA's Strategic Plan "Mana i Maui Ola" (Strength to Wellbeing) includes three foundations: 'ohana (family), mo'omeheu (culture), and 'aina (land and water). OHA recognizes these foundations have the power to affect the wellbeing of Native Hawaiians. Therefore, they are woven into OHA's plans to affect change in the areas of education, health, housing, and economics. These four directions will be used to guide OHA's work to better the conditions of Native Hawaiians. Over the next 10 years, OHA will be implementing strategies, aligned with our foundations and directions to achieve our envisioned outcomes for a thriving and abundant lāhui.</p> <p>In order to realign current efforts and execute the strategic plan by the desired 2035 deadline, OHA had to quickly establish and staff a brand-new department of (13) Directors and Consultants dedicated to the development of strategies and tactics that would help the office achieve their desired strategic outcomes and goals. As HRS §10-3 mandates the office to better the lives and conditions of Native Hawaiians and Hawaiians, executing and implementing the OHA strategic plan is critical in helping the office achieve its mission to mālama Hawai'i's people and environmental resources, and OHA's assets, toward ensuring the perpetuation of the culture, the enhancement of lifestyle and protection of Native Hawaiian entitlements, while enabling the building of a strong and healthy Hawaiian people and lāhui, recognized nationally and internationally.</p> <p>The office is requesting general funds to fully-fund all (13) positions in OHA's Strategy and Implementation Division to further enable the office to develop strategies & tactics, implement policies, and advocate for Native Hawaiians in the ongoing work to better the lives and conditions of OHA beneficiaries. Currently, (12) of the (13) positions are filled with warm bodies, and are currently working tirelessly in-office to develop the necessary strategies to accomplish OHA's strategic outcomes. Each Director is assigned (2) Consultants to assist with daily tasks, deliverables, and strategic planning. OHA's Strategy and Implementation Division works alongside, and reports to Ka Pouhana (CEO) to ensure all OHA directives and actions are aligned with the strategic plan.</p> <p>The Director of Housing, Infrastructure & Sustainability (#32003) remains vacant however, the position is planned to be filled by the end of FY26. Current duties and responsibilities of the vacant position are being carried out by the Director of 'Ōiwi Well-Being and 'Aina Mōmona (#32001).</p> <p>Salary amounts in FY27 represent a standard 3% increase due to an anticipated rise in the Hawai'i cost of living, and a decrease in forecasted Total Personal Income (TPI) according to the Council on Revenues (COR) projection on October 31, 2024.</p> <p>OHA FY25 personnel operating costs totaled over \$14.9M department-wide. As OHA is restricted to a 5% use of our Native Hawaiian Trust Fund (NHTF) per OHA BOT, FY25 personnel operating costs accounts for nearly 71% of allowable expenditures from OHA's Trust account in the same fiscal year. The request for a general fund appropriation is in hopes to free up funding in OHA's NHTF for other priorities and initiatives, while still addressing the key outcomes outlined in the Mana i Maui Ola strategic plan.</p>	A	13.00		\$ 1,258,454	13.00		\$ 1,296,208
OHA175	AB	AR	1	2	Requesting a general fund appropriation to support development and use of educational resources for all Hawaiian lifelong learners in schools, communities and 'ohana, and further support education through Hawaiian language medium and focused Charter Schools.	<p>For the 2020-2021 school year, there were 174,704 students attending Hawaii public schools, according to the annual report published by the State of Hawaii Department of Education. There were also 11,627 public school teachers. Native Hawaiian students accounted for the largest group attending Hawai'i public schools for the 2020-2021 school year, followed by Filipinos. Those who identified as Hawaiian or part-Hawaiian accounted for 10.3% of teachers. In response, OHA has set its sights on supporting initiatives, leveraging partnerships, and engaging in strategies to develop educational pathways that strengthen culture-based education, early education, K-12, and post-secondary education that will ensure that Native Hawaiians are grounded in their past while participating in a technologically oriented future.</p> <p>ETHNICITY OF PUBLIC SCHOOL STUDENTS: 2020-2021 Native Hawaiian — 41,577 students (23.7%) Filipino — 39,513 students (22.6%) White — 33,941 students (19.4%) Japanese — 15,934 students (9.1%) Micronesian — 8,888 students (5%) Samoan — 5,690 students (3.2%) Chinese — 5,336 students (3%) Black or African American — 4,557 students (2.6%) Hispanic — 4,071 students (2.3%) Portuguese — 3,024 students (1.7%) Korean — 2,018 students (1.1%) Indo-Chinese — 1,953 students (1.1%) Other Pacific Islander — 1,832 students (1%) Multiple, two or more ethnicities — 1,818 students (1%) Other Asian — 1,565 students (0.8%) Tongan — 1,438 students (0.8%) Native American — 999 students (0.5%) Guamanian or Chamorro — 550 students (0.3%)</p>	A			\$ 715,000			\$ 740,000

150	AA	02083002	Land Legacy Agent	11/25/2024	11/26/2024	OHA's REPI project is an ambitious and complex undertaking by the Legacy Lands Program to restore critical ecosystem services to our Wahiawa Lands and implement portions of the community-driven conceptual master plan for the property. The project includes native forest restoration (koa, 'ilahi, 'ohi'a), agroforestry, and seed-banking to enhance our native habitat and grow materials for cultural practice, enhance community food sovereignty for Native Hawaiian beneficiaries in Wahiawa, and produce seed to be used in restoration efforts across Hawaii, particularly after fires. Hawaii Island is a hub for these kinds of projects. Travel to sites where these projects are taking place will greatly inform our REPI planning efforts.	Y	N	N	\$ 209.29	T	Y
