RELATING TO PUBLIC EMPLOYMENT COST ITEMS

The Department of Budget and Finance supports moving these Administration proposals, or similar bills, as collective bargaining (CB) negotiations are currently in progress and vehicle bills may be necessary if an agreement is reached requiring an appropriation prior to the end of the legislative session.

These measures appropriate and authorize appropriations for CB cost items for salary adjustments and other cost adjustments for Fiscal Biennium 2025-27.

The bargaining units (BU) addressed in the bills are as follows: Senate Bill (S.B.) No. 1346, BU 1; S.B. No. 1347, BU 2; S.B. No. 1348, BU 3; S.B. No. 1349, BU 4; S.B. No. 1350, BU 5; S.B. No. 1351, BU 6; S.B. No. 1353, BU 8; S.B. No. 1354, BU 9; S.B. No. 1355, BU 10; S.B. No. 1356, BU 11; S.B. No. 1357, BU 13; and S.B. No. 1358, BU 14.

Thank you for your consideration of our comments.

**Testimony in Strong Support
SB 1357 Relating to
Public Employment Cost Items.**

Provides appropriations for collective bargaining cost items for the members of Unit (13) and their excluded counterparts, including the cost of salary adjustments negotiated between the State and the bargaining unit representative for fiscal biennium 2025-2027.

Edward N. Chu
President and Chief Executive Officer
Hawaii Health Systems Corporation

Hawaii Health Systems Corporation ("HHSC") **strongly supports** SB 1357.

HHSC is bound by the public sector union collective bargaining pay increases that are negotiated by the State of Hawaii and arbitration awards. This is because HHSC only has one vote as a jurisdiction while the State of Hawai'i administration holds the majority of the votes. Given that salaries and benefits expenses comprise approximately 80% of HHSC's total operating expenses, collective bargaining pay raises represent a significant cost burden that HHSC's facilities simply cannot absorb. HHSC continues its focused efforts to grow revenue in the face of staffing shortages and increased operational costs. Additionally, reduced Medicare reimbursements (the primary source of federal funding accounting for about 43% of HHSC's gross revenues) and the end of Coronavirus funding affecting fiscal years 2024-2027 and going forward further contribute to the need for general funds to enable HHSC to provide critical high quality services to the rural communities it serves.

Accordingly, HHSC needs a **general fund appropriation** to pay for the proposed raises.

Thank you for the opportunity to testify on this important measure.
