Bill No. and Title: Senate Bill No. 261, Relating to Jury Duty.

Purpose: Increases the amount each juror or prospective juror is paid for each day of actual attendance at court. Appropriates moneys.

Judiciary's Position:

The Judiciary strongly supports this bill, which is part of the Judiciary’s 2025 legislative package. This bill proposes to increase juror compensation from a fixed flat rate of \$30 to \$50 per day.

Juror compensation was last increased in 1989 from \$20 to \$30 per day. Since that time, the cost of living in the State of Hawai‘i has drastically increased. While juror compensation is not meant to serve as a substitute for wages, raising the daily rate would provide some relief for those who serve this important civic duty.

By comparison, jurors who serve in the United States District Court, receive \$50 per day. The National Center for State Courts recommends that at the very least, state courts should review compensation rates in relation to the prevailing federal rate.¹

An increase in juror compensation helps ensure a diverse jury pool by allowing people from varying socioeconomic backgrounds to participate in the judicial system. It further acknowledges the sacrifice our citizenry makes to serve on a jury and shows the state's appreciation for such service.

The increase would require commensurate annual funding by the Legislature. We therefore also ask that the requested appropriation be supported by the Legislature and that any additional funding not supplant the Judiciary's other existing funding and budget requests.

Thank you for the opportunity to testify on Senate Bill No. 261.

S.B. 261: RELATING TO JURY DUTY

Chair Rhoads, Vice-Chair Gabbard, and Members of the Committee:

The Office of the Public Defender **supports S.B. 261:**

The Office of the Public Defender submits that there is a need to increase the compensation to the public for jury duty service. The increase from \$30 to \$50 is an acknowledgment that participation as a juror is a valuable and honored service to our communities and to the administration of justice. Jurors are the backbone of the constitutionally protected right to a jury trial in the criminal courts. It is understood that the fee is nominal. However, this increase helps offset the time away from work and family that our dedicated jurors spend participating in the administration of justice.

Thank you for the opportunity to comment on this measure.

TESTIMONY

Senate Committee on Judiciary

Hearing: Tuesday January 28, 2025 (9:15 a.m.)

TO: Senator Karl Rhoads, Chair
Senator Mike Gabbard, Vice Chair

FROM: Mark M. Murakami, HSBA President

RE: Senate Bill No. 261 - RELATING TO JURY DUTY

Chair Rhoads and members of the Senate Committee on Judiciary, the Hawaii State Bar Association (“HSBA”) appreciates the opportunity to offer testimony in **STRONG SUPPORT** of Senate Bill No. 261.

The Hawaii State Bar Association wholeheartedly endorses Senate Bill No. 261, which would increase the amount each juror or prospective juror is paid for each day of actual attendance at court for that juror’s service. Currently, jurors only receive \$30 per actual day in service, which is not extremely low as appreciation for a jurors’ service. We strongly urge the court to raise this fee to \$50 per day to provide some additional compensation for jurors.

Mahalo for this opportunity to provide testimony in support.

Comments:

Serving on a jury is both an honor and a sacrifice. Being the most important part of the justice system is an honor, but the time away is a big sacrifice. People will miss out on days or weeks of work, which means they will miss opportunities to provide for themselves or their families. I support this because it will incentivize people to follow through on jury duty and not seek ways to get out of it. If I have any complaints, I think the pay should increased even further. At least 100 dollars a day, or have it equivalent to a day's work under minimum wage laws. Either way I support this bill
