| Name of Fund: | Adult Education Special Fund | Fund Type (MOF): | Special |
| Legal Authority: | Section 302A-435, HRS | Appropriation Account Number: | S-302-E |

Intended Purpose:

To finance the adult and community education program in part through fees collected from students enrolled.

The community schools for adults are critical to address the needs of students to pursue skills and programs to obtain financial stability and reduce dependence on public assistance, all of which have an overall positive impact on the state. When these schools were reorganized in 2013, general funds were significantly reduced. At that time, the Legislature and Department allowed these schools to generate revenue to cover operational costs by allowing the collection of enrollment fees. Funds from the non-general funds for adult education support administration of the high school equivalency testing program, equipment and other learning supports, office operations, and other expenses not covered by federal funds or provided for through the State budget.

Source of Revenues:

Revenues are from the Adult Education student tuition for special interest classes, GED test fees, and investment pool earnings.

Current Program Activities/Allowable Expenses:

Allowable expenses include the salaries of part-time teachers, administrative costs, and all other expenses.

| Name of Fund: Donations - Facilities | Fund Type (MOF): Trust |
| Legal Authority: Section 302A-1122, HRS | Appropriation Account Number: T-903-E |

Intended Purpose:

This fund was established in 2017 to account for donations made to schools for facility purposes.

Source of Revenues:

Payments of fair-share cash contributions and school impact fees. The amount of revenue collected is dependent upon the number of new residential building permits issued within the year, as well as upon the sale of residential units within the year, for projects that have executed an agreement with the Department. The Department and developer have agreed that payment of the school impact fee will occur at the sale of a residential unit.

Current Program Activities/Allowable Expenses:

School Impact Fee and Fair Share Programs: both school impact fees and fair share contributions are used to increase student capacity through land acquisition or facility construction. School impact fees can only be expended within the school impact fee district in which it was collected. Fair share contributions can only be expended within the high school complex in which it was collected.

Variances:

Authority for the school impact fees within this account has been transferred to the School Facilities Authority:

- -Act 217, SLH 2021, requires the deposit of school impact fees received by the Department related to new, or major renovations of, school facilities into a fund administered by the School Facilities Authority.
- -Revenues for the T-903 account come from school impact fees, and Act 217, SLH 2021 (including sections 15 and 16), also required the transfer of all things related to school impact fees to the School Facilities Authority.

For the years prior:

- -The significant increase in FY 2020 revenue reflects the transfer of school impact fees and fair share contributions into this account.
- -The decrease in FY 2021 revenues reflects a decrease in the number of residential dwelling units, subject to impact fees or fair share contributions, from the previous year.
