# Center for Alternative Dispute Resolution

The Judiciary  
State of Hawai'i

## Annual Report

*July 1, 2023 - June 30, 2024*

*Presented to the  
Thirty-third Legislature*

*Pursuant to  
Hawai'i Revised Statutes §613-4*

## Programs

The Center for Alternative Dispute Resolution (CADR) helps make alternative dispute resolution broadly available throughout the state. The goal is to resolve disputes fairly, without the delay and financial and emotional costs of litigation, while preserving relationships between parties. ADR through the Judiciary also helps build public confidence in our judicial system, and expands access to justice.

### Program Activity FY 2023–2024

- **Hawai‘i Appellate Mediation Program (AMP)**

From inception to the end of Fiscal Year 2023–24, 819 cases entered the program. The overall settlement rate for closed cases is 49 percent.

In FY 2023–24, AMP added 17 new cases to its 12 pending cases. Of the 29 active cases, 18 closed with the following results: 10 settled or partially settled; 7 did not settle and continued on the court track; 1 was withdrawn prior to mediation; and 11 cases carried over to the new fiscal year.

During Fiscal Year 2023 – 2024, volunteer mediators provided over 335 hours of mediation services for 18 cases that closed during that period.

The Access to Justice Commission recognized the AMP Mediators for their generous pro bono service contributions during the October Access to Justice Conference at Ali‘iolani Hale.

- **Workplace Dispute Resolution Program (WDRP)** is administered by CADR to provide mediation and facilitation options for employees to resolve workplace disputes. WDRP services are provided at an off-site location through Hawai‘i’s community mediation centers.

Since the program’s expansion in 2019, 21 cases have been reviewed and five were referred for mediation.

## Community Mediation Centers

CADR administers a purchase of services contract for mediation and related dispute resolution services with Mediation Centers of Hawai‘i, Inc. (“MCH”). MCH serves as an umbrella organization for the five community mediation centers throughout the state.

## Pre-eviction Mediation Involving the Wildfires

Following the 2024 legislative session, the Judiciary received \$410,000 under Act 202 for pre-eviction mediation services for those impacted by the Maui wildfires. A contract was finalized with MCH with the services to be provided largely by Maui Mediation Services (“MMS.”) MMS will provide mediation services once the Governor’s eviction moratorium expires.
