# A BILL FOR AN ACT

RELATING TO THE COMMUNITY OUTREACH COURT.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. The legislature finds that the worsening  
2 problem of homelessness on Oahu has led to residents being cited  
3 or arrested for drinking liquor in public, being in public parks  
4 after hours, trespassing, illegal camping on sidewalks and other  
5 public areas, and other non-violent or status offenses. Many of  
6 those cited are unable to attend court or have misplaced their  
7 paperwork due to the transient and unstable nature of  
8 homelessness. When a person fails to appear for court and has  
9 no known address, courts are left with no option but to issue a  
10 bench warrant.

11           Under Act 55, Session Laws of Hawaii 2017, the judiciary,  
12 the office of the public defender, and the department of the  
13 prosecuting attorney of the city and county of Honolulu  
14 established a community outreach court project. The goal of the  
15 community outreach court is to assist non-violent offenders who  
16 are charged with offenses that disproportionately impact the  
17 homeless community by making court attendance more accessible

1 through holding court in community locations where offenders are  
2 found, resolving any active charges, and utilizing alternative  
3 sentences such as community service work in cases where prior  
4 court judgments could not be satisfied and offenders lack the  
5 present ability to pay fines and fees. By resolving these  
6 cases, the participants are in a better position to obtain basic  
7 necessities such as jobs, income assistance, and housing. The  
8 community outreach court social worker assesses offenders for  
9 participation in programs deemed appropriate based upon an  
10 offender's need for mental health services, substance abuse  
11 treatment, sustenance, shelter, or other appropriate available  
12 social services and assists the offenders in obtaining and  
13 voluntarily participating in these referred services.

14 The legislature finds that the community outreach court  
15 program has been successful. Since its inception, the program  
16 has addressed over ten thousand cases, recalled over nine  
17 hundred bench warrants, lifted more than seven thousand driver  
18 license stoppers and provided assistance to over six hundred  
19 participants at community-based sites in the judicial districts  
20 where participants may live or have access to mental health  
21 services, substance abuse treatment, sustenance, shelter, or

1 other social services and who have completed more than seven  
2 thousand community service work hours.

3 Accordingly, the purpose of this Act is to permanently  
4 establish and appropriate funds for the community outreach court  
5 as a division of the district court of the first circuit.

6 SECTION 2. The Hawaii Revised Statutes is amended by  
7 adding a new chapter to be appropriately designated and to read  
8 as follows:

21 those programs;

1           (4) Establishment of a coordinated strategy by the  
2           community outreach court to respond to an offender's  
3           compliance or noncompliance with the offender's  
4           sentence; and

5           (5) Encouragement by the community outreach court of

7 select from the list those defendants who the prosecuting  
8 attorney determines may be appropriate for participation in the  
9 court. The prosecuting attorney or representative of the  
10 attorney general shall enter into plea agreement negotiations  
11 with the public defender for disposition of defendants' cases  
12 that the prosecuting attorney determines are appropriate.

13           (e) The plea agreement for a defendant may include a fine,
