4           (24) (A) Each county may impose civil fines, in addition  
5                                   to criminal penalties, for any violation of  
6                                   county ordinances or rules after reasonable  
7                                   notice and requests to correct or cease the  
8                                   violation have been made upon the violator. Any  
9                                   administratively imposed civil fine shall not be  
10                                  collected until after an opportunity for a  
11                                  hearing under chapter 91. Any appeal shall be  
12                                  filed within thirty days from the date of the  
13                                  final written decision. These proceedings shall  
14                                  not be a prerequisite for any civil fine or  
15                                  injunctive relief ordered by the circuit court;

16                   (B) Each county by ordinance may provide for the

4 review rights under section 91-14 are exhausted,  
5 to any taxes, fees, or charges, with the

## S.B. NO. 44

1 civil fines, including any increase in the amount  
2 of the fine which the county may assess, shall  
3 constitute a lien upon all real property or  
4 rights to real property belonging to any person  
5 liable for the unpaid civil fines. The lien in  
6 favor of the county shall be subordinate to any  
7 lien in favor of any person recorded or  
8 registered prior to the recordation of the notice  
9 of unpaid civil fines and senior to any lien  
10 recorded or registered after the recordation of  
11 the notice. The lien shall continue until the  
12 unpaid civil fines are paid in full or until a  
13 certificate of release or partial release of the  
14 lien, prepared by the county at the owner's  
15 expense, is recorded. The notice of unpaid civil  
16 fines shall state the amount of the fine as of  
17 the date of the notice and maximum permissible  
18 daily increase of the fine. The county shall not  
19 be required to include a social security number,  
20 state general excise taxpayer identification  
21 number, or federal employer identification number

1           on the notice. Recordation of the notice in the  
2           bureau of conveyances shall be deemed, at [~~such~~]  
3           that time, for all purposes and without any  
4           further action, to procure a lien on land  
5           registered in land court under chapter 501.  
6           After the unpaid civil fines are added to the  
7           taxes, fees, or charges as specified by county  
8           ordinance, the unpaid civil fines shall be deemed  
9           immediately due, owing, and delinquent and may be  
10          collected in any lawful manner. The procedure  
11          for collection of unpaid civil fines authorized  
12          in this paragraph shall be in addition to any  
13          other procedures for collection available to the  
14          State and county by law or rules of the courts;  
15          (C) Each county may impose civil fines upon any  
16          person who places graffiti on any real or  
17          personal property owned, managed, or maintained  
18          by the county. The fine may be up to \$1,000 or  
19          may be equal to the actual cost of having the  
20          damaged property repaired or replaced. The  
21          parent or guardian having custody of a minor who

1 places graffiti on any real or personal property  
2 owned, managed, or maintained by the county shall  
3 be jointly and severally liable with the minor  
4 for any civil fines imposed hereunder. Any  
5 [~~such~~] civil fine may be administratively imposed  
6 after an opportunity for a hearing under  
7 chapter 91, but [~~such~~] a proceeding shall not be  
8 a prerequisite for any civil fine ordered by any  
9 court. As used in this subparagraph, "graffiti"  
10 means any unauthorized drawing, inscription,  
11 figure, or mark of any type intentionally created  
12 by paint, ink, chalk, dye, or similar substances;

13 (D) At the completion of an appeal in which the  
14 county's enforcement action is affirmed and upon  
15 correction of the violation if requested by the  
16 violator, the case shall be reviewed by the  
17 county agency that imposed the civil fines to  
18 determine the appropriateness of the amount of  
19 the civil fines that accrued while the appeal  
20 proceedings were pending. In its review of the

1 amount of the accrued fines, the county agency  
2 may consider:

3 (i) The nature and egregiousness of the  
4 violation;

5 (ii) The duration of the violation;

6 (iii) The number of recurring and other similar  
7 violations;

8 (iv) Any effort taken by the violator to correct  
9 the violation;

10 (v) The degree of involvement in causing or  
11 continuing the violation;

12 (vi) Reasons for any delay in the completion of  
13 the appeal; and

14 (vii) Other extenuating circumstances.

15 The civil fine that is imposed by administrative  
16 order after this review is completed and the  
17 violation is corrected shall be subject to  
18 judicial review, notwithstanding any provisions  
19 for administrative review in county charters;

20 (E) After completion of a review of the amount of  
21 accrued civil fine by the county agency that

1           imposed the fine, the amount of the civil fine  
2           determined appropriate, including both the  
3           initial civil fine and any accrued daily civil  
4           fine, shall immediately become due and  
5           collectible following reasonable notice to the  
6           violator. If no review of the accrued civil fine  
7           is requested, the amount of the civil fine, not  
8           to exceed the total accrual of civil fine prior  
9           to correcting the violation, shall immediately  
10          become due and collectible following reasonable  
11          notice to the violator, at the completion of all  
12          appeal proceedings; and

13          (F) If no county agency exists to conduct appeal  
14          proceedings for a particular civil fine action  
15          taken by the county, then one shall be  
16          established by ordinance before the county shall  
17          impose the civil fine;

18          (25) Any law to the contrary notwithstanding, any county  
19          mayor, by executive order, may exempt donors, provider  
20          agencies, homeless facilities, and any other program  
21          for the homeless under part XVII of chapter 346 from

1 real property taxes, water and sewer development fees,  
 2 rates collected for water supplied to consumers and  
 3 for use of sewers, and any other county taxes,  
 4 charges, or fees; provided that any county may enact  
 5 ordinances to regulate and grant the exemptions  
 6 granted by this paragraph;

7 (26) Any county may establish a captive insurance company  
 8 pursuant to article 19, chapter 431; and

9 (27) Each county shall have the power to enact and enforce  
 10 ordinances regulating towing operations."
