SENATE CONCURRENT RESOLUTION

URGING THE COUNTY OF MAUI TO PRIORITIZE THE DEVELOPMENT AND
PLANNING OF THE NORTHERN TERMINUS OF THE KIHEI NORTH-SOUTH
COLLECTOR ROAD.

1 WHEREAS, the North-South Collector Road in Kihei, Maui, was
2 envisioned in the 1998 community plan to extend across the
3 entire Kihei region, providing a critical alternative route to
4 alleviate traffic congestion on South Kihei Road and Pi'ilani
5 Highway; and
6

7 WHEREAS, over the years, residents and visitors of South
8 Maui have experienced increasing traffic congestion,
9 particularly in North and South Kihei, due to the limited
10 availability of north-south routes, resulting in frequent
11 bottlenecks and delays; and
12

13 WHEREAS, the lack of alternative routes has led to
14 situations where car accidents or natural hazards, such as flash
15 floods, can severely impede mobility, leaving residents unable
16 to leave their neighborhoods and hindering emergency response
17 efforts; and
18

19 WHEREAS, despite previous funding allocations, including a
20 notable \$25 million federal grant awarded in 2023 for the
21 extension of Liloa Drive, a segment of the North-South Collector
22 Road, progress has been limited, and the critical northern
23 terminus of the road has yet to be planned or identified; and
24

25 WHEREAS, the absence of a defined northern terminus
26 undermines the intended purpose of the North-South Collector
27 Road as an integral connector facilitating efficient movement
28 into and out of the region, thereby perpetuating existing
29 traffic challenges; and
30

31 WHEREAS, population projections indicate that Maui Island's
32 resident population is expected to grow from 129,471 in 2005 to

1 194,630 by 2030, with the Kihei-Mākena area anticipated to
 2 experience significant growth, further exacerbating traffic
 3 congestion and highlighting the urgent need for comprehensive
 4 infrastructure planning; and

5

6 WHEREAS, the completion of the North-South Collector Road,
 7 including its northern terminus, is essential to accommodate
 8 current and future transportation demands, enhance public
 9 safety, and support the region's economic vitality; now,
 10 therefore,

11

12 BE IT RESOLVED by the Senate of the Thirty-third
 13 Legislature of the State of Hawaii, Regular Session of 2025, the
 14 House of Representatives concurring, that the County of Maui is
 15 urged to prioritize the development and planning of the northern
 16 terminus of the North-South Collector Road; and

17

18 BE IT FURTHER RESOLVED that the County of Maui is requested
 19 to collaborate with the Maui Metropolitan Planning Organization,
 20 Maui County Planning Department, and Maui County Council to
 21 identify and designate the specific location for the northern
 22 terminus of the North-South Collector Road, ensuring that it
 23 effectively integrates with existing and planned transportation
 24 infrastructure; and

25

26 BE IT FURTHER RESOLVED that the County of Maui is requested
 27 to submit a status report on the planning and development of the
 28 northern terminus of the North-South Collector Road to the
 29 Legislature no later than twenty days prior to the convening of
 30 the Regular Session of 2026; and

31

32 BE IT FURTHER RESOLVED that certified copies of this
 33 Concurrent Resolution be transmitted to the Mayor of the County
 34 of Maui, Director of the Maui County Planning Department, Chair
 35 of the Maui County Council, and Executive Director of the Maui
 36 Metropolitan Planning Organization.
