**H.B. 135
RELATING TO LAND**

House Committee on Transportation

The Hawaii Department of Transportation (HDOT) **supports** H.B. 135, which provides for the appropriation of funds to purchase the real property located at 64-486 Kamehameha Highway, designated as Tax Map Key No. (1) 6-4-001-015 to develop a “park and ride” shuttle service along the north shore of Oahu.

The HDOT supports this effort to create interconnected transportation networks that can help reduce congestion and provide a safe, comfortable, convenient, reliable, efficient, and affordable way for people to get around.

Thank you for the opportunity to provide testimony.
