RELATING TO STATE HOLIDAYS

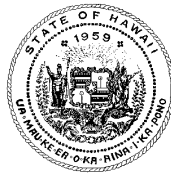

The Department of Budget and Finance (B&F) offers comments on this bill.

House Bill No. 554 amends Section 8-1, HRS, to establish Lunar New Year, the day of the second new moon after the winter solstice, as a State holiday.

B&F notes that this bill would add an additional State holiday to the 13 (14 in even-numbered election years) State holidays currently recognized in the HRS and thus cause the State to lose an additional day of State labor and productivity valued at approximately \$9,060,274 in payroll expenses. Furthermore, B&F would like to highlight that the Department of Human Resources Development and Hawai'i Government Employees Association have testified on similar bills in the past, noting State holidays are a matter that needs to be negotiated and included in the collective bargaining master contract.

Thank you for your consideration of our comments.

In consideration of
HB 554, Relating to State Holidays

Chair Kapela, Vice-Chair Kong and the members of the committees:

The Office of Collective Bargaining (OCB) appreciates the intent of HB 554, which designates the second new moon after the winter solstice of every year as the Lunar New Year and establishes the Lunar New Year as a state holiday. However, OCB offers the following comments on this measure:

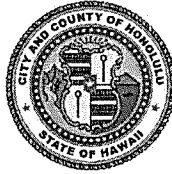

1. While the Legislature is the governing body to both establish and remove official state holidays, the potential impact on public employees is a negotiable matter, subject to collective bargaining pursuant to Hawai'i Revised Statutes (HRS), §89-9.
2. Also, the establishment of Lunar New Year, as an official state holiday, would have no effect on public workers unless it is negotiated and mutually agreed to.
3. Should this measure pass prompting the exclusive representatives to initiate negotiations for inclusion of Lunar New Year as another observed holiday for public employees, the employer would have serious concerns regarding the operational and financial impact to the State.

Thank you for the opportunity to provide testimony and comments on this measure.

Dear Chair Kapela, Vice Chair Kong, and Members of the Committee:

SUBJECT: House Bill No. 554 Relating to State Holidays

The Department of Human Resources, City and County of Honolulu, understands and appreciates the cultural significance and importance of recognizing the Lunar New Year. Since the matter will require negotiations with the various public unions through the collective bargaining process, our concern is the added cost to the Public Employer should this become an established State paid holiday.

We thank you for giving us the opportunity to testify on this matter.

Sincerely,

Aloha,

My name is Victor Lim and has been a resident of Hawaii since 1969. I have been involved and served as president of the United Chinese Society, Chinese Chamber of Commerce of Hawaii as well as many community and civic organizations here.

I strongly support HB 554 that establish the Lunar New Year as our State Holiday. The many diverse Asian heritage communities here that make up Hawaii celebrate the Lunar New Year as their New Year, a joyous time to spend with family and friends.

Mahalo.

Aloha Chair Kapela, Vice-Chair Kong, and Committee Members:

I write in my personal capacity to express strong support for HB 554, which will add the Lunar New Year as a State holiday. Our diverse Asian communities across the State of Hawaii (Chinese, Japanese, Korean, Vietmanese, etc.) widely observe the Lunar New Year in a manner akin to the start of the calendar year on January 1st. By designating the Lunar New Year as a State holiday, the State can recognize our vibrant cultural heritage and welcome a properous start the new year.

Based on the foregoing, I hope the Committee will advance this measure in recognition of our diverse Asian communities and cultural traditions. Thank you for your consideration.

Best,

Kendrick S. Chang

Dear Chair Kapela, Vice Chair Kong, and Members:

I write in strong support of HB554. The Asian community in Hawai‘i has made significant contributions to the State’s social, civic, and economic success, as well as its diverse and vibrant culture, which includes the celebration of the Lunar New Year. The Lunar New Year is joyously observed by numerous residents in 11 the State and is celebrated by more than 2/3rds of Chinese, Korean, Japanese, and Vietnamese Americans across the United States. This bill will recognize that.

Sincerely,

Tai-ni Hsia
