**Testimony in SUPPORT of SB1425  
RELATING TO THE STATE EMERGENCY MEDICAL SERVICES ADVISORY  
COMMITTEE**

SENATOR KARL RHOADS, CHAIR  
SENATE COMMITTEE ON JUDICIARY

Hearing Date: February 20, 2025

Room Number: 225

1 **Fiscal Implications:** None.

2 **Department Position:** The Department SUPPORTS this measure and offers comments.

3 **Department Testimony:** Thank you for the opportunity to testify on this measure. The

4 EMSIPSB Branch provides the following testimony on behalf of the Department.

5 Established through HRS §321-225, the State Emergency Medical Services Advisory Committee  
6 (EMSAC), within the Department of Health, provides advisory support on the state's emergency  
7 medical services (EMS) system. EMSAC is comprised of twenty members designated by statute,  
8 but meetings are attended by over fifty community members and healthcare professionals both in  
9 person and virtually.

10 Currently, the committee faces challenges meeting the quorum requirement of 11 members, as  
11 many members have demanding careers in emergency medicine, healthcare, and emergency  
12 medical services. Their professional responsibilities often require their sudden absence, making  
13 scheduling difficult. Additionally, vacancies on the advisory committee can hinder the ability to  
14 meet quorum. Without a quorum, the committee cannot conduct its business, which can delay  
15 essential decision-making and public discussions. Reducing the quorum requirement to seven  
16 members ensures that the committee can continue its important work even when full attendance  
17 is not possible. Seven members have proven to be a reasonable and feasible number to ensure

1 quorum, allowing critical discussions to occur without the need to cancel meetings at the last  
2 minute.

3 **Offered Amendments:** None.

4 Thank you for the opportunity to testify on this measure.
