

ACT 11

An Act to Amend Act 210, S. L. H. 1955, Relating to the Issuance of Bonds by the City and County of Honolulu for Park and Playground Purposes.

Be it Enacted by the Legislature of the State of Hawaii:

SECTION 1. Section 11 of Article III of the constitution of the State of Hawaii provides for the consideration and enactment in a budget session of all urgency measures deemed necessary in the public interest. Said section 11 further provides that no urgency measure shall be considered unless a statement of facts constituting such urgency shall be set forth in a section thereof and until such section shall have been first approved by each house. Pursuant to said section 11 of Article III of the constitution of the State of Hawaii, this Act is hereby declared to be an urgency measure deemed necessary in the public interest. The following is a statement of facts constituting such urgency:

“That the rapid housing developments in the City and County of Honolulu without inclusion of adequate parks and playgrounds for the safety of children necessitate in the best public interest and welfare a continuing park and playground development program by authorizing the Board of Supervisors (Council) of the City and County of Honolulu to transfer funds allotted for authorized projects, wholly or in part, for other similarly authorized projects, or other projects proposed by the Department of Parks and Recreation of the City and County of Honolulu.”

SECTION 2. Act 210, S. L. H. 1955, is hereby amended by amending Section 2 thereof by changing the colon after the word “purpose” in the second line to a semicolon and by inserting after such semicolon the following proviso:

“provided, however, that the Board of Supervisors (Council) is hereby authorized to transfer any part of the funds herein allotted for any project hereinafter enumerated, for other park and playground projects proposed by the Department of Parks and Recreation:

(a) If any such project for which funds have been allotted is deleted from the Master Plan (General Plan) of the City and County of Honolulu; or

(b) If the Board of Supervisors (Council) finds that the construction of any such project for which funds have been allotted is not economically feasible because of the insufficiency of the allotted funds; or

(c) If after the completion of any such project for which funds have been allotted there remains an unexpended balance in the funds allotted for said project.”

SECTION 3. This Act shall take effect upon its approval.
