S. B. NO. 1745-70

A Bill for an Act Relating to Parks and Playgrounds for Subdivisions.

*Be It Enacted by the Legislature of the State of Hawaii:*

SECTION 1. Section 46-6, Hawaii Revised Statutes, is amended to read:

**“Sec. 46-6. Parks and playgrounds for subdivisions.**

(a) Except as hereinafter provided, each county shall adopt ordinances to require a subdivider, as a condition precedent to approval of a subdivision, to provide land in perpetuity or to dedicate land, together with facilities, for park and playground purposes, for the use of purchasers or occupants of lots or units in subdivisions. The ordinances may prescribe the instances when land shall be provided in perpetuity or dedicated, the area, location, grade, and other state of the sites so required to be provided or dedicated and the minimum physical facilities required. In addition thereto, such ordinances may prescribe penalties or other remedies for violation of such ordinances.

(b) In lieu of providing land in perpetuity or dedicating land, together with facilities, the ordinances may permit a subdivider pursuant to terms and conditions set forth therein to:

- (1) Pay to the county a sum of money equal to the value of land and facilities he would otherwise have had to provide or dedicate;
- (2) Combine the payment of money with land to be provided or dedicated, the total value of such combination being not less than the total value of the land and facilities he would otherwise have had to provide or dedicate.

The method of valuation of land and facilities where money payments are made shall be prescribed by the ordinances. The ordinances shall also provide that such money shall be used for the purpose of providing park and playground facilities for the use of purchasers or occupants of lots or units in the subdivision.

(c) Pursuant to terms, conditions and limitations specified by the ordinances, a subdivider may receive credit:

(d) Upon the provision of land in perpetuity or the dedication of land by the subdivider as may be required under this section, the county concerned shall thereafter assume the cost of improvements and their maintenance, and the subdivider shall accordingly be relieved from such costs.

(e) The ordinances adopted pursuant to this section may provide, where special circumstances, conditions and needs within the respective counties so warrant, for such exemptions and exclusions as the councils of the respective counties may deem necessary or appropriate and may also prescribe the extent to and the circumstances under which the requirements therein shall or shall not be applicable to subdivisions.
