Be It Enacted by the Legislature of the State of Hawaii:

SECTION 1. Section 304-4, Hawaii Revised Statutes, is amended to read as follows:

“Sec. 304-4 Powers of regents; official name. The board of regents shall have general management and control of the affairs of the university. It may appoint a treasurer and such other officers as it deems necessary. It may authorize any officer elected or appointed by it to approve and sign on its behalf any voucher or other document which the board may approve and sign. It may purchase or otherwise acquire lands, buildings, appliances, and other property for the purposes of the university and expend such sums of money as may be from time to time placed at the disposal of the university from whatever source. All lands, buildings, appliances, and other property so purchased or

acquired shall be and remain the property of the university to be used in perpetuity for the benefit of the university.

The board may charge a resident tuition fee of not less than \$170 per academic year for regular courses of instruction; at any University of Hawaii campus that grants baccalaureate degrees and not less than \$30 per academic year for regular courses of instruction at any college in the system of community colleges; provided that the tuition fee for nonresident students, both undergraduate and graduate, shall be not less than four times the tuition fee for resident students, but in no event less than \$680. The board may also charge other fees for special programs of instruction, as well as laboratory fees or course fees or fees for student activities, each of which shall be the same for resident and nonresident students. The board may charge other fees for summer session or evening courses, including differential fees for nonresident students. The nonresident tuition differential shall not be applicable to nonresident students who were enrolled at the university during the fall or spring semester of the 1968-1969 school year, as long as the nonresident students continue to be enrolled at the university as regular students during the next and subsequent academic years, except where such continued enrollment is prevented for good cause as may be determined by the board of regents, nor to nonresident students who are residents of a state or foreign country which permits Hawaii residents to pay resident tuition fees while attending public institutions of higher learning in such state or foreign country, nor to nonresidents, United States military personnel stationed in Hawaii on active duty and their authorized dependents during the period such personnel are stationed in the State, nor to students from any district, commonwealth, territory or insular jurisdiction, state, or nation which does not provide public institutions of higher learning, nor to employees of the University, their spouses and dependents. The board may waive entirely or reduce the tuition fee or any of the other fees for any students, resident or nonresident, who are well qualified or in need of financial assistance, not exceeding 400 in number, which shall be counted as part of the quota of financial aids allocable to the baccalaureate campuses in the system. The board may waive entirely or reduce the tuition fee or any of the other fees for graduate teaching and research assistants. The board may enter into agreements with government and university officials of any other state or foreign country to provide for reciprocal waiver of the nonresident tuition differential.

The board shall adopt the necessary rules and regulations defining residence for tuition purposes herein; provided that the basic rule shall be that adult and minor students are resident students if the adult students, or in the case of minor students, their parents or guardians, have been bona fide residents of this State for at least twelve consecutive months next preceding their first registration at the university.

The official name of the board shall be Board of Regents, University of Hawaii, and the board shall adopt and use a common seal by which all official acts shall be authenticated."

SECTION 2. Section 304-15, Hawaii Revised Statutes, is amended to read as follows:

"Sec. 304-15 Scholarships. The board of regents shall each year award

ACT 142

scholarships to well qualified students and students in such necessitous circumstances that in the judgment of the university they would otherwise be unable to attend the university or a community college. To qualify for such a scholarship, a student must be a bona fide resident of the State for the five consecutive years immediately preceding the term for which a scholarship is desired. The board of regents may adopt the necessary rules and regulations defining bona fide resident.”

SECTION 3. Section 304-17, Hawaii Revised Statutes, is amended to read as follows:

“**Sec. 304-17 Number and allocation financial aids.** ‘Financial aid’, as used in this section, means the tuition waivers authorized in Section 304-5 and the scholarships authorized in Section 304-15. Individual scholarships or waivers shall be called units of financial aid. The total number of recipients of State financial aid in any given year shall not exceed the following:

- (a) In 1971 six percent of the total full-time undergraduate enrollment in the previous September;
- (b) In 1972 seven percent of the total full-time undergraduate enrollment in the previous September;
- (c) In 1973 eight percent of the total full-time undergraduate enrollment in the previous September;
- (d) In 1974 nine percent of the total full-time undergraduate enrollment in the previous September;
- (e) In 1975 and in each and every year thereafter ten percent of the total full-time undergraduate enrollment in the previous September.

The allocation of the total number of units of financial aid shall be adjusted annually, based upon the ratio between full-time undergraduate students enrolled in the baccalaureate system and in the community college system.

Scholarships awarded to students in college transfer programs in the Community Colleges shall be continued upon their transfer into baccalaureate programs provided they continue to qualify, with the scholarship then to count against the quota for the baccalaureate degree granting campus. Only full time students in the University of Hawaii System shall be eligible for State scholarships or Board of Regents tuition waivers. Each scholarship shall be granted for the period of one academic year, and shall be renewed each year for all recipients who maintain a satisfactory standard of scholarship and deportment. No student shall receive state scholarship grants for a period longer than four academic years while pursuing a bachelor’s degree, associate degree or a certificate as the case may be.
