

A Bill for an Act Relating to Eggs.

*Be It Enacted by the Legislature of the State of Hawaii:*

SECTION 1. The purpose of this Act is to safeguard the public against the consumption of deleterious poultry products by application of uniform inspection standards for all eggs sold in Hawaii.

SECTION 2. Section 147-74, Hawaii Revised Statutes, is amended to read as follows:

**“Sec. 147-74. Grading standards and regulations.** Subject to chapter 91, the department of agriculture may make rules and regulations with respect to:

- (1) Sale and transportation for sale of eggs for human consumption;
- (2) Specific grades or standards of quality, condition and size or weight classes which shall conform when practical to those established by the United States Department of Agriculture as local conditions will permit;
- (3) Inspection and classification;
- (4) Assessment and collection of fees for requested certification at a rate not to exceed \$3.50 per hour for each inspector for such service;
- (5) Labelling of containers of imported and locally produced eggs;
- (6) Seller’s invoice for sale of eggs;
- (7) Records of imported shell eggs of foreign origin;
- (8) Methods of determining egg quality, which shall not include re-candling or any other method applied to eggs in interstate commerce which is discriminatory or impairs that commerce in any way or requires a cost increase of eggs in interstate commerce;
- (9) Enforcement of this part and of the rules and regulations promulgated under this part.”

**SECTION 4.** Material to be repealed is bracketed. New material is underscored. In printing this Act, the revisor of statutes need not include the brackets, the bracketed material, or the underscoring.\*

**SECTION 5.** This Act shall take effect upon its approval.

(Approved May 30, 1972.)
