**S.B. NO. 1254**

A Bill for an Act Relating to the University of Hawaii.  
*Be It Enacted by the Legislature of the State of Hawaii:*

SECTION 1. Section 305E-1, Hawaii Revised Statutes, is amended to read as follows:

**“[[§305E-1]] College-credit equivalency program established; purpose.** There is established at the University of Hawaii and the community colleges a college-credit equivalency program. The purpose of this program is to award college credits to students who are enrolled in a degree or certificate program at the University of Hawaii or at a community college and who have successfully completed at a high school, business school, trade school, [or] adult education school, or military training program, courses which are equivalent to courses offered for credit in the University of Hawaii system. Credits may also be awarded for work or other experiences at the discretion of the University.”

SECTION 2. Section 304-4, Hawaii Revised Statutes, is amended to read as follows:

**“§304-4 Powers of regents; official name.** The board of regents shall have management and control of the general affairs, and exclusive jurisdiction over the internal organization and management, of the university. It may appoint a treasurer and such other officers as it deems necessary. It may authorize any officer, elected or appointed by it, to approve and sign on its behalf any voucher or other document which the board may approve and sign. It may purchase or otherwise acquire lands, buildings, appliances, and other property for the purposes of the university and expend such sums of money as may be from time to time placed at the disposal of the university from whatever source. All lands, buildings, appliances, and other property so purchased or acquired shall be and remain the property of the university to be used in perpetuity for the benefit of the university.

The board may charge a resident tuition fee for regular courses of instruction at any University of Hawaii campus, including any community college; provided that the tuition fee for nonresident students, both undergraduate and graduate, shall be not less than two times the tuition fee for resident students, but in no event less than two times the undergraduate tuition fee for resident students at the Manoa Campus. The board may also charge other fees for special programs of instruction, as well as laboratory fees or course fees or fees for student activities, each of which shall be the same for resident and nonresident students. The board may charge other fees for summer session or evening courses, including differential fees for nonresident students. The nonresident tuition differential shall not be applicable to nonresident students who were enrolled at the university during the fall or spring semester of the 1968-1969 school year, as long as the nonresident students continue to be enrolled at the university as regular students during the next and subsequent academic years, except where such continued enrollment is prevented for good cause as may be determined by the board of regents, [nor to nonresident students who are residents of a state or foreign country which permits Hawaii residents to pay resident tuition fees while attending public institutions of higher learning in such state or foreign country,] nor to nonresidents, United States military personnel stationed in Hawaii on active duty and their authorized dependents during the period such personnel are stationed in the State, nor to students from any district, commonwealth, territory, or insular jurisdiction, state, or nation which does not provide public institutions of higher learning, nor to employees of the university, their

spouses and dependents. The board may waive entirely or reduce the tuition fee or any of the other fees for any students, resident or nonresident, who are well qualified or in need of financial assistance, not to exceed five per cent of the total full-time enrollment of the previous fall semester for each campus in the system. The board may waive entirely or reduce the tuition fee or any of the other fees for graduate teaching and research assistants. The board may enter into agreements with government and university officials of any other state or foreign country to provide for reciprocal waiver of the nonresident tuition differential.

The board shall adopt the necessary rules and regulations defining residence for tuition purposes herein; provided that the basic rule shall be that a student shall qualify for the resident tuition fee only if the following criteria are met:

- (1) The adult student, or in the case of a minor student, his parents or guardians, has been a bona fide resident of this State for at least twelve consecutive months next preceding his registration at the university; and
- (2) The adult or minor student has not been claimed as a dependent for tax purposes for at least twelve months next preceding his registration at the university by his parents or guardians who reside outside of the State.

The official name of the board shall be Board of Regents, University of Hawaii, and the board shall adopt and use a common seal by which all official acts shall be authenticated.”

SECTION 3. Statutory material to be repealed is bracketed. New material is underscored.

SECTION 4. This Act shall take effect upon its approval.
