§ -3 Approval of transfers of structured settlement payment rights. No direct or indirect transfer of structured settlement payment rights shall be effective and no structured settlement obligor or annuity issuer shall be required to make any payment directly or indirectly to any transferee of structured settlement payment rights, unless the transfer has been approved in advance in a final court order or order of a responsible administrative authority based upon express findings by the court or responsible administrative authority that:

- (1) The transfer is in the best interest of the payee, taking into account the welfare and support of the payee's dependents;
- (2) The payee has been advised in writing by the transferee to seek independent professional advice regarding the transfer and has either received the advice or knowingly waived the advice in writing; and
- (3) The transfer does not contravene any applicable statute or the order of any court or other government authority.

§ -4 Effects of transfer of structured settlement payment rights. Following a transfer of structured settlement payment rights under this chapter:

- (2) The transferee shall be liable to the structured settlement obligor and the annuity issuer:

- (A) For any taxes incurred by the parties as a consequence of the transfer, if the transfer contravenes the terms of the structured settlement; and
 - (B) For any other liabilities or costs, including reasonable costs and attorneys' fees, arising from compliance by the parties with the order of the court or responsible administrative authority, or arising as a consequence of the transferee's failure to comply with this chapter;
- (3) Neither the annuity issuer nor the structured settlement obligor may be required to divide any periodic payment between the payee and any transferee or assignee or between two or more transferees or assignees; and
 - (4) Any further transfer of structured settlement payment rights by the payee may be made only after compliance with all of the requirements of this chapter.

§ -5 Procedure for approval of transfers. (a) An application under this chapter for approval of a transfer of structured settlement payment rights shall be made by the transferee and may be brought in any court or before any responsible administrative authority:

- (1) In the county in which the payee resides;
- (2) In the county in which the structured settlement obligor or the annuity issuer maintains its principal place of business; or
- (3) That approved the structured settlement agreement.

(b) To apply for approval of a transfer of structured settlement payment rights under section -3, the transferee shall file with the court or responsible administrative authority and serve on all interested parties a notice of the proposed transfer and the application for its authorization. The notice shall include:

- (1) A copy of the transferee's application;

- (6) Notification of the time and place of the hearing and notification of the manner in which and the time by which written responses to the application shall be filed, to be considered by the court or responsible administrative authority; provided that the written responses shall be filed not less than fifteen days after service of the transferee's notice.

§ -6 General provisions construction. (a) The provisions of this chapter may not be waived by any payee.

(b) Any transfer agreement entered into on or after the effective date of this Act by a payee who resides in this state shall provide that disputes under the transfer agreement, including any claim that the payee has breached the agreement, shall be determined in and under the laws of this State. No transfer agreement shall authorize the transferee or any other party to confess judgment or consent to entry of judgment against the payee.

(c) No transfer of structured settlement payment rights shall extend to any payments that are life-contingent unless, prior to the date on which the payee signs the transfer agreement, the transferee has established and has agreed to maintain

procedures reasonably satisfactory to the annuity issuer and the structured settlement obligor for:

- (1) Periodically confirming the payee's survival; and
- (2) Giving the annuity issuer and the structured settlement obligor prompt written notice in the event of the payee's death.

(d) No payee who proposes to make a transfer of structured settlement payment rights shall incur any penalty, forfeit any application fee or other payment, or otherwise incur any liability to the proposed transferee or any assignee based on any failure of the transfer to satisfy the conditions of this chapter.

(e) Nothing contained in this chapter shall be construed to authorize any transfer of structured settlement payment rights in contravention of any law or to imply that any transfer under a transfer agreement entered into prior to the effective date of this Act is valid or invalid.

(f) Compliance with the requirements set forth in section -2 and fulfillment of the conditions set forth in section -3 shall be solely the responsibility of the transferee in any transfer of structured settlement payment rights, and neither the structured settlement obligor nor the annuity issuer shall bear any responsibility for, or any liability arising from, non-compliance with the requirements or failure to fulfill the conditions.”

SECTION 2. This Act shall take effect upon its approval.
