The appropriations contained in this Act will cause the state general fund expenditure ceiling for fiscal year 2006-2007 to be exceeded by an additional \$21,339,523, or an additional 0.40 per cent. The calculation contained in the foregoing sentence relates only to the amount of general funds appropriated in this Act for fiscal year 2006-2007. The reasons for exceeding the general fund expenditure ceiling are that the appropriations made in this Act are necessary to serve the public interest and to meet the needs provided for by this Act.

SECTION 15. Each section of this Act is declared to be severable from the remainder of this Act.

SECTION 16. This Act shall take effect upon its approval.
