The Committees will be hearing a Senate Bill that will be introduced at the convening of the Second Special Session of 2007 on Wednesday, October 24, 2007. The subject of this bill will be to permit the operation of an inter-island ferry service in the State of Hawaii while an environmental impact statement is being conducted, while at the same time, ensuring that there is adequate protection of the environment. The bill will also establish an oversight task force for the purpose of examining the impact of inter-island ferry operations on the communities, environment, and harbor and other infrastructures.

The Committees are inviting members of the public to present their views and concerns on this proposed legislation. The Committees would like to hear from as many individuals as possible, and are anticipating a large volume of individuals wishing to present testimony. As such, and as a courtesy to those patiently waiting for their opportunity to address the Committees, it is requested that each individual limit their oral testimony to two (2) minutes. Individuals wishing to present oral testimony will need to sign-in at the designated table. Oral testimony should also be submitted to the Committees in writing within twenty-four (24) hours following the informational briefing through one of the methods indicated below.
