Re: Consideration and confirmation to the Hawaii Health Systems Corporation Board of Directors, Gubernatorial Nominee, **Avery B. Chumbley**, for a term to expire 6/30/2009.

Dear Senator David Ige:

This is to express my interest in serving on the Hawaii Health Systems Corporation Board of Directors. My dedication to Hawaii's future has been demonstrated in my professional, political and community experiences in Hawaii, and I am interested in applying my combined knowledge and experiences of Hawaii's communities to governance of the state authorized health care system.

Healthcare for the State of Hawaii is faced with challenges and dynamic, complex national, statewide and community concerns require bold and responsible decision-making and governance. I am prepared to actively participate in advancing the quality of the state's health care system and preserving the health service safety-net for future generations of Hawaii's residents and visitors.

I would be pleased to have an opportunity to serve on the HHSC Board of Directors and respectfully request confirmation. I welcome any opportunity to further discuss my interest with you. Thank you for your time and consideration.

Sincerely,

Avery B. Chumbley
