Dear Senator David Ige:

I am an assistant director of pharmaceutical services for Kaiser Permanente Hawaii region, and I am writing to convey my interest to serve as a member of the Hawaii Health Systems Corporation Oahu region Board of Directors. I am most excited to participate at the governance level of a dynamic and unique community-hospital system.

My goal, as a board member, is to combine my past administrative experience as an advocate with those experiences of my fellow board peers. I have great determination and hold myself to high standards, and am eager to work in a position that will ultimately enhance the healthcare services presently being provided to our Oahu communities.

I look forward to an opportunity to meet with you and your committee members. Thank you for considering my interest.

Sincerely,
