Hearing Date: 10/29/07
GM 58

Dear Senator David Ige;

I am writing to express my strong interest in serving as a board member of the Hawaii Health Systems Corporation, West Hawaii Regional Board of Directors. Given my extensive background in medical labs, drug testing, state and company compliance coupled with extensive participation in numerous boards, (both as President and other officers and as members), I am excited by the opportunity to contribute to the West Hawaii region, which combines long-term and rural health care (Kohala Hospital and Kona Community Hospital).

I have served as President, Vice President and board member for West Hawaii Community Health Center, Drugs and Alcohol Testing Industrial Association, Kona Kohala Chamber of Commerce, Kona Executive Association, as well as other community related boards: Kona Outdoor Circle and Destination Kona Coast.

I would very much appreciate the opportunity to meet with you and your committee members to further discuss my interest to serve as a member of this important board. I appreciate your consideration of my appointment.

Sincerely,

Bruce Makarewicz, Owner

Chair Senate Committee on Health

Dear Senator David Ige:

I regret that I will not be present for the Confirmation Hearings Monday Oct.29, 2007. As an owner of a small business I have to attend to my clients and a trip to Oahu would be a hardship.

I have lived in Kona since 1984 and have served in the health care field all of that time. I have seen the benefit of the mandatory health care insurance coverage in our State and I see its shortcomings. As a future member of the Hawaii Health Systems Corporation, West Hawaii Regional Board of Directors, I feel that I can make a struggling system better. My background in health, business and Board participation has prepared me for this volunteer effort.

Please extend my apologies to members of the Committee of Confirmation, House and Senate for missing the Confirmation Hearings. I appreciate your consideration on my appointment. I promise a good job.

Sincerely,

Bruce Makarewicz
