Dear Senator David Ige:

I am writing to express my interest in serving on the Hawaii Health Systems Corporation Kauai Region Board of Directors. I am a Realtor on the Garden Island and have had the honor to serve as a member of the HHSC Kauai region Management Advisory Committee for at least 10 years. This experience has provided me with an in-depth understanding of how such a hospital system and its regions operate to maintain its safety-net function. Consequently, I believe that I can further assist with collaborative and integrated efforts that would be helpful to our new governance structure.

I continue to be a strong advocate for outstanding and quality healthcare for the island communities of the Kauai region, and this commitment will enable me to contribute to the work of the HHSC Kauai board.

I would greatly appreciate an opportunity to meet with you and members of the Senate Committee on Health. Please feel free to call me at (808) 245-3991..

Thank you for your time and consideration.

Sincerely,

LaVene L. Bessert, © GRI, RMM, CCIM, B.A., M.S.
