Dear Senator David Ige:

I am writing to you to express interest in serving as a member of the Hawaii Health Systems Corporation Board of Directors, Kauai Region. Beyond my oversight of president and chief executive officer duties of Kikiaola Land Company, Ltd., I would like to expand my involvement in community affairs. I am therefore particularly interested in the available governance position.

I believe that I have the ability to work well with stakeholders and undertake substantial tasks while serving the community. I understand that my role requires a commitment to improving the healthcare service for the residents of Kauai. I would be grateful for an opportunity to further develop effective responses to the challenges ahead of us.

I hope to have the opportunity to meet with you and your committee members. If I can provide any additional information, please do not hesitate to contact me.

Thank you very much for your review and consideration.

Sincerely,

Linda Faye Collins
