The Honorable Senator David Y. Ige
Chair
Senate Committee on Health
415 South Beretania Street, Room 215
Honolulu, HI 96813

Dear Senator David Ige:

I write this letter with interest in serving on the Kauai Regional Board of Directors of the Hawaii Health Systems Corporation. I am currently retired but most recently held the position of the Director of the Office of Continuing Education and Training at the Kauai Community College. Given my previous business background as well as my dedication to public service, I am thrilled of the opportunity to contribute and participate on a board that is so intricately entwined with such an important subject – healthcare.

With the implementation of Act 290 and the challenges it presents, I am confident that the efforts of our newly established board will be able to provide positive direction and guidance for the hard-working senior leadership. I feel that my past experience in the public sector will also assist in the planning and development of the Kauai Region to continue in its mission to provide "quality healthcare with a personal touch."

I sincerely thank you for your consideration.

Yours truly,

Mrs. Roselind Barbara Bulatao-Franklin
Community Member

Dear Senator David Ige:

I write this letter in support of Mrs. Roselind Barbara Bulatao-Franklin, Community Member, as a Kauai Regional Board Member.

Her expertise in public service, as well as her dedication to the Kauai community will be a benefit for the facilities of the Kauai Region.

I humbly ask for your confirmation of Mrs. Roselind Barbara Bulatao-Franklin as a Board Member for the Kauai Regional Board.

Sincerely,

Ms. Orianna Skomoroch, M.A., C.R.A.

Subject: Roselind Barbara Bulatao-Franklin

Dear Senator Ige and Member of the Senate Committee on Health:

I am pleased to support the appointment of Roselind Barbara Bulatao-Franklin to the Kaua'i Regional Board of the Hawai'i Health Systems Corporation.

Barbara was a faculty member at Kaua'i Technical School when the School was transferred to the University of Hawai'i and became Kaua'i Community College in 1965. She left the college to pursue opportunities in the private sector and the County of Kauai. When I served as Provost (now called Chancellor) of Kaua'i Community College, Barbara returned to college in key management position as the Director of Continuing Education and Community Service. She recently retired from that position.

During her many years with the College, Barbara knew the pulse of the community. She did an excellent job in assessing community needs and providing programs to meet their needs. As a long time member of our island community, Barbara has developed excellent community relationships.

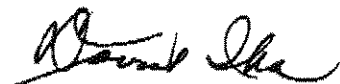

During her tenure at the College, she was responsible for providing the non credit technology courses to meet the needs of the community. Her responsibilities provided ample opportunities for her in areas such as: technology assessment, planning, and operational budget. She recruited a host of part time faculty to teach in the various non credit offerings at the college.

She was also responsible for public relations and communications with the media. The excellent press coverage the College enjoyed was a direct result of Barbara's excellent relationship with our Kaua'i media.

As one of the five executives on the management team at the College, Barbara has lots of experience in the overall management of an organization. She will bring her executive experience in serving on the regional board.

I wholeheartedly support Barbara's appointment to the Kaua'i Regional Board of the Hawai'i Health Systems Corporation.

Sincerely,

David Ige
Emeritus Secretary of the Board of Regents
Emeritus Provost, Kaua'i Community College
