Re: Consideration of Normand Lezy as a State Land Use Commission Member

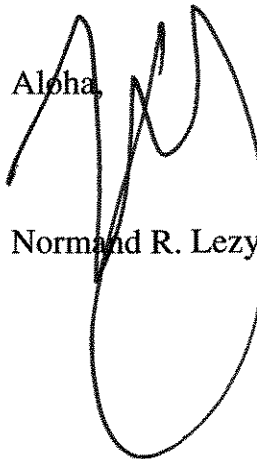

Dear Senator Hee and Committee Members:

Thank you for providing me with the opportunity to appear before you as you consider my nomination to be an At-Large Member of the State Land Use Commission. I am honored by Governor Lingle's nomination and the opportunity that it provides me to serve my fellow citizens and my State. If confirmed, I will work hard with my colleagues on the Commission to ensure that objective, even-handed decisions are made that fulfill the Commission's responsibility to preserve and protect Hawai'i's lands while encouraging those uses to which lands are best suited.

I have been fortunate enough to live in Hawai'i for almost 20 years. As the son of a career military officer I had the opportunity to visit and live in States across the United States as well as many foreign countries. I knew almost immediately after arriving in Hawai'i that I had found where I wanted to make my home and raise my future family. I completed my undergraduate degree and then went on to earn a law degree at the University of Hawaii. After clerking for Chief Judge James S. Burns of the Intermediate Court of Appeals, I moved into private law practice where I have been lucky enough, for the past 12 years, to be able to indulge my interest in maritime law. True to my original plan, I met and married the love of my life, Kerry-Ann, and we've been blessed with two beautiful daughters, Sydney and Noelle. I know that Kerry-Ann and I will always make Hawai'i our home and will always encourage our daughters to as well.

I readily concede that I do not have a background in real estate or land use matters. However, I do not consider that to be an impediment that may hinder my work on the Commission. I instead view it has an opportunity to evaluate the matters put before me without preconceptions and with an open mind. I understand that important issues will come before the Commission that have potentially wide-ranging impacts on the quality of life of our citizens, on Hawai'i business, on our environment, on the nature and extent of development, and on our shared cultural resources. I believe that I can bring value to the Commission in deciding the issues that come before it. For these reasons I respectfully request that you support my nomination to be a Member of the State Land Use Commission.

If you have any questions or require any additional information in advance of tomorrow's hearing, please do not hesitate to contact me. Thank you for your time and consideration.

Aloha,

Normand R. Lezy

Re: Confirmation of Normand Lezy as a State Land Use Commission Member

Dear Senator Hee and Committee Members:

I support the confirmation of Normand (Chip) Lezy, as a State Land use Commission Member for the following reasons.

I have known Mr. Lezy (Chip) on a personal and professional level for the last three years and I consider him a good friend. However, I am not supporting his nomination just because we are friends. I am supporting Chip because I believe that you will find him like I do to be insightful, measured, reflective, and someone, to put it very simply, who genuinely cares about doing the right thing. He certainly recognizes the responsibility being delegated to him by this appointment and will treat it accordingly. Perhaps his best quality again, to put it very simply, is that he is a real bright guy who will give 1000% to the Land Use Commission. I honestly cannot think of a better choice, and I know you and your Committee will likewise agree.

Very truly yours,

**Re: Confirmation of NORMAND LEZY as a
State Land Use Commission Member**

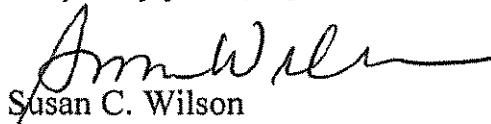

Dear Senator Hee and Committee Members:

I am writing this letter to support the confirmation of Normand "Chip" Lezy, as a State Land Use Commission member.

I have known Chip for more than a decade, both professionally and personally. As an attorney, he is brilliant, diligent, conscientious, ethical, and incredibly hard-working (truthfully, one of the hardest-working attorneys I know). His legal knowledge, civility, and capability (and witty sense of humor) are well known in the legal community. In addition, in the past few years, I have seen him become an amazing, supportive father to his two little girls.

There is no question in my mind that the Land Use Commission would greatly benefit from having Chip as a member. Please feel free to contact me if you have any questions.

Very truly yours, <

Re: Confirmation of Normand Lezy as a State Land Use Commission Member

Dear Senator Hee and Committee Members:

This letter is written in support of the confirmation of Normand ("Chip") Lezy as a State Land Use Commission Member. I have known Chip Lezy since 1995, and have had the opportunity to observe his professional conduct extensively from 1995-2000, during which period we were colleagues at the same law firm. From what I have observed, Chip consistently acts with integrity and honesty, and is extremely intelligent and hard-working. In addition, although his job dictates that he act as an advocate for his clients, Chip has the rare ability to approach problems and disputes with common sense and fairness.

Although Chip may not have extensive experience in land use matters, I believe it is his ability to bring common sense and fairness to problem solving which makes him an excellent candidate for serving on the State Land Use Commission. If confirmed, I believe he would have the ability to keep an open mind regarding the various community, environmental and business interests affecting land use decisions, to impartially weigh the various competing interests, and to ultimately act in the best interest of the community as a whole. I strongly support his confirmation, and would be happy to answer any questions or provide further testimony to support his confirmation. Thank you for your consideration.

Re: Confirmation of Normand Lezy as a State Land Use Commission Member

Dear Senator Hee and Committee Members:

I support the confirmation of Normand (Chip) Lezy, as a State Land Use Commission Member for the following reasons:

I have known Chip for over 15 years in academic and social arenas and believe he is bright, articulate, fair and accomplished. His professional experience and knowledge of environmental and maritime law will be of significant value to the Commission in its goal to preserve and protect Hawaii's lands.

I have also known Chip to be involved in the community, including his role on the Alison K. Adams Scholarship Selection Committee. Our committee's role is to select a nontraditional law student as the scholarship recipient. It's clear from our past meetings that Chip is fair, equitable and thorough in his decision making. I have no doubt this will carry through with whatever issue is placed in front of Chip.

For these reasons and many more not articulated here, it is with genuine honor that I request your confirmation of Normand Lezy's appointment to the State Land Use Commission. Thank you for this opportunity to be heard.

I strongly support the confirmation of Normand (Chip) Lezy, as a State Land use Commission Member for the following reasons.

Mr. Lezy is an outstanding person and attorney who possess the necessary experience, knowledge and temperament to be an effective member of the State Land Use Commission. Mr. Lezy's background provides a balanced and diversified perspective regarding land use issues in the State of Hawaii. Mr. Lezy graduated from the William S. Mr. Lezy's background enhances his understanding of the issues facing the State of Hawaii particularly with the district boundaries involving landowners, developers and State and County agencies.

Throughout his legal career, Mr. Lezy has worked with and understands the realities impacting the State of Hawaii regarding the preservation and protection of its land and natural resources.

Finally, Mr. Lezy is an attorney possessing the highest ethics, intellect and professionalism in the practice of law. As such, I express my support for his appointment as a Commission Member for the State Land Use Commission and will be available to provide oral testimony at the confirmation hearing on Thursday, November 25, 2007 if necessary.

Thank you for your consideration.

Re: Confirmation of Normand Lezy as a State Land Use Commission Member

Dear Senator Hee and Committee Members:

I am writing in support of the confirmation of Normand Lezy as a State Land Use Commission Member.

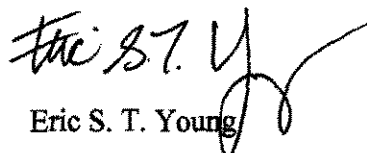

I have known Normand since he was a "1L" and I was a "3L" at the William S. Richardson School of Law about fifteen years ago. At the time, Normand was already regarded as a bright, hard-working law student. He went on to serve as a Law Clerk to Chief Judge James S. Burns of Intermediate Court of Appeals of the State of Hawaii, and then as an attorney at Goodsill Anderson Quinn & Stifel. He later departed from that firm along with other attorneys to form Leong Kunihiro Leong & Lezy, of which he is a named partner.

As an attorney, he has acquired an excellent reputation in his areas of practice, which include Admiralty/Maritime, Insurance Defense, Civil Litigation, and Federal Workers Compensation law. As long as I have known him, I have respected his intelligence, judgment, and character.

I firmly believe that if confirmed, Normand Lezy will become a valuable Member of the Land Use Commission.

Thank you for this opportunity to testify in this matter.

Re: Confirmation of Normand Lezy as a State Land Use Commission Member

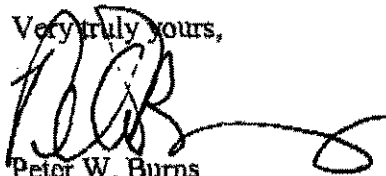

Dear Senator Hee and Committee Members:

I am pleased to support the confirmation of Normand (Chip) Lezy as a State Land use Commission Member.

I have known Chip since 1991, when we both entered law school at the University of Hawaii. After graduating in 1994, we had the privilege of clerking together at the Intermediate Court of Appeals. As law clerks, we would often read each other's drafts before submitting them to our respective judges, and I recall Chip's bench memos and draft opinions to always be thoroughly researched, well-written and objective. I am certain that these skills have only improved during his years of practicing law since then. Chip is intelligent, hard-working, and as a practicing attorney has always shown dedication and commitment to his clients.

On a personal level, I know Chip loves Hawaii and has been for many years an avid fisherman, surfer and sports enthusiast. The fact that he has chosen to make Hawaii his permanent home and raise a family there is further evidence of his love for the islands and the people. I believe Chip would make an excellent addition to the Land Use Commission, and I fully support his appointment.

Very truly yours,

Jill A. Fukunaga /s/

**TESTIMONY OF KU'UHAKU PARK
IN REGARDS TO
GM110 and GM111
NOMINATION OF NORMAND R. LEZY
TO THE LAND USE COMMISSION**

**BEFORE THE SENATE COMMITTEE ON WATER AND LAND
ON
OCTOBER 25, 2007**

Chair Hee, Vice Chair Kokubun, and Members of the Senate Committee on Water and Land:

I am Ku'uhaku Park, testifying in support of the GM110 and GM111, nominating Normand R. Lezy to the Land Use Commission.

Earlier this year I was made aware of a lawsuit that may have had a profound impact on the industry that I work in. Someone had told me that Mr. Lezy was one of the attorneys involved in the case and that I should call him.

Mr. Lezy not only took my call, but made the time and effort to explain the case to me and to also lay out the legal ramifications it may have to my business depending on its various outcomes.

He was able to take not only the broad vision of the case, but also the legal technicalities and translate them from legalese to a form that a lay person like I could understand in a clear and concise manner.

While the reason for my support Mr. Lezy is obviously anecdotal and not professional, I hope that you do take into consideration my little story about this Bishop Street attorney and how plays against the negative stereotype of lawyers.

Along with his ability to take his legal knowledge and convey it to the average person, I believe that his calm and patient demeanor would also be a huge asset to both the Land Use Commission as well as for everyone who appears before it.

Thank you for your kind and serious consideration of my testimony in this matter.

Mr. Lezy is a man of integrity; principled and with considerable knowledge. He can lend a scholarly discipline to the interests of the State Land Use Commission and render fair and equitable views. Land use is a balancing act between the present and the future, the powerful and the meek. I believe Mr. Lezy has much to offer in this respect and urge your confirmation of his appointment.

**Re: Nomination of Normand R. (Chip) Lezy to the
Land Use Commission**

Dear Senator Hee and Committee Members:

I am writing to support Governor Linda Lingle's nomination of Normand R. (Chip) Lezy to the State of Hawaii, Land Use Commission. I have known Mr. Lezy for more than 15 years, both personally and professionally. He and I worked together at Goodsill Anderson Quinn & Stifel for approximately four years. In 2000 he joined our firm as an associate attorney and in 2002 became a partner in Leong Kunihiro Leong & Lezy.

For as long as I have known Mr. Lezy, he has always been involved with and active in activities associated with the ocean, as a surfer, fisherman, kayak paddler, and member of the Surfrider Foundation. As such, he is genuinely concerned about the ocean and the environment and their private and governmental uses. I firmly believe this concern will translate into a strong commitment to his position on the Land Use Commission and his desire to do what is right for the State of Hawaii, all its citizens, and the 'aina.

I personally believe that Mr. Lezy's work ethic, dedication, personality, personal and family values, and life experiences will allow him to bring a fresh perspective to the Land Use Commission. In the years that I have known Mr. Lezy, he has always been a hard worker, highly ethical, and straightforward. He has never shied away from a large or difficult case or assignment, and has always done his best in all situations. No one could ask for a more devoted member of a commission.

Honorable Clayton Hee
Confirmation of Normand R. (Chip) Lezy

The LUC must have a full slate of commissioners to insure it can function and operate in a timely manner in fulfilling the intent and purpose of Chapter 205.

For these reasons, we respectfully request your favorable consideration of Chip Lezy's appointment as an at-large member to the LUC.

Re: Confirmation of Normand Lezy as a State Land Use Commission Member

Dear Senator Hee and Committee Members:

I am writing in support of the confirmation of Normand (Chip) Lezy, as a State Land use Commission Member.

Throughout the past two years that I have worked with Chip, he has shown commitment to his work in the legal arena and has continued to remain passionate about his work. I believe that Chip would be an excellent member of the State Land Use Commission because his knowledge and ability to be inquisitive, thoughtful, and fair would assist the State Land Use Commission in its duties. Chip is hard-working and committed to everything that he does, and exemplifies the highest ethical standards.

I highly support Chip's nomination and recommend his confirmation by the full Senate.

Re: Confirmation of Normand Lezy as a State Land Use Commission Member

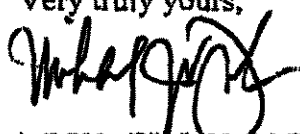

Dear Senator Hee and Committee Members:

I heartily endorse the confirmation of Normand "Chip" Lezy, as a State Land Use Commission Member.

It has been my pleasure to know Mr. Lezy for several years now, and I have consistently found him to be a person with the highest integrity, morals, and dedication in both his work and family life. Both qualities are crucial for any citizen who is called upon to serve our community. Since graduating from William S. Richardson School of Law, Mr. Lezy has earned an impeccable reputation as an attorney. His experience in the practice of law and his positive demeanor will only enhance his ability to assist and guide our State as a Member of the State Land Use Commission.

I support his nomination without reservation and would be honored to express these views at the November 25, 2007 confirmation hearings if necessary.

Re: Confirmation of Normand Lezy as a State Land Use Commission Member

Dear Senator Hee and Committee Members:

I am a partner with the law firm of Rush Moore LLP. I have known Normand "Chip" Lezy for approximately fifteen (15) years. We met while young associates at Goodsill Anderson Quinn & Stifel. I fully support the confirmation of Chip as a State Land Use Commission Member.

Chip is a hard-working, dedicated attorney. He possesses a broad knowledge base concerning land use issues, maritime law and commercial litigation. His work has always been top-notch.

Equally as important, Chip possesses an easy working style. Attorneys welcome his involvement in cases. Although a strong advocate, Chip has always had the ability to see both sides of a given issue. Chip would be a valuable asset to the State Land Use Commission.

Please let me know if there is any further information which may be helpful to Chip's confirmation.

Re: Confirmation of Normand Lezy as a State Land Use Commission Member

Dear Committee Members:

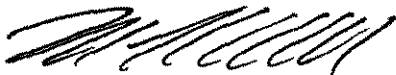

I am writing to express my support for the confirmation of Normand "Chip" Lezy, as a State Land Use Commission member.

I have known "Chip" as a fellow maritime attorney for almost ten years. I have the utmost respect for his abilities as an attorney, as well as his fine character. We have been on opposite sides of many lawsuits and I have always found Chip to be honest, straightforward and principled in all of his dealings.

I believe Chip's background as an attorney will enable him to sort through the often difficult and complicated issues faced by the LUC. I have witnessed, first hand, Chip's ability to assess an issue objectively, come to a well thought out conclusion, then present a clear, logical and orderly argument in support of it.

As a resident of Hawaii who is directly affected by the decisions of the LUC, I am confident Chip Lezy can and will make land use decisions which are right for this State. As such, I respectfully urge the Committee to confirm Chip's nomination to the LUC.

Re: Normand R. Lezy's Nomination To
The State Land Use Commission

Dear Senator Hee:

I write in support of Normand R. "Chip" Lezy's nomination to the State Land Use Commission.

I am an attorney and have been licensed to practice law in the State of Hawaii for 22 years. I first met Chip in 1994 when, as a third year law student, he was hired as an intern with the Alcantara & Frame law firm. Over the past 13 years, I've developed a professional working relationship, as well as, personal friendship, which enables me to speak to Chip's qualifications to serve on this board.

Chip possesses many qualities that will make him an invaluable asset and significant contributing Member. He is dedicated, hard working, creative and critical, as well as, analytical in his thought process. On issues he is not familiar, he undertakes all research necessary to not only understand the problem, but develop effective solutions. He is diplomatic, patient, able to articulate points clearly and in layman's terms. These qualities, in my experience, are necessary to efficiently and effectively communicate with constituents, as well as, fellow board members on emotionally charged/volatile issues often debated at public hearings. He possess a clear and strong sense of right and wrong, but also knows that in some instances the greater public interest is best served through compromise.

HONORABLE CLAYTON HEE

October 24, 2007

Page 2

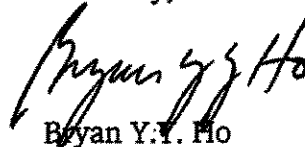

Chip is well rounded. He is dedicated family and always tells me his wife and daughters are his greatest accomplishments. He regularly attributes his family as being the foundational support that enables and inspires him to achieve all the success he has accomplished in his professional career.

When Chip initially asked me if I would write this letter, I went to his office and spoke with him. I wanted to know more about the LUC and why he was considering taking on this additional commitment. Chip explained the Land Use Commission is regularly tasked with addressing issues that have significant long term impacts on the State of Hawaii. He wants to be involved with shaping Hawaii's future and firmly believes he can meaningfully contribute to that process.

In short, I cannot too strongly urge you and Senators Kokubun, Fukunaga, Tokuda and Whalen to confirm Chip's confirmation. I am firmly convinced that you will not find a better qualified and dedicated candidate who is firmly committed to this board.

If you have any questions, please do not hesitate to contact me.

Sincerely,

COMMISSION FOR A TERM TO EXPIRE 6-30-2008

Honorable Chair and Members of the Committee:

It is my pleasure to recommend Normand "Chip" Lezy to you for your consideration as a Commissioner, State of Hawaii, Land Use Commission (LUC). Thanks in part to the support of Vice Chair Kokubun, I had the opportunity to serve as a Commissioner on the LUC and I now have the opportunity to recommend a fellow attorney and friend for your consideration, a man I know shares the same desire to serve the public as I did when I came before this committee. I have personally discussed the LUC's mission and the significance of each Commissioner's role with Chip and I believe he genuinely cares about the critical land use issues confronting Hawaii and is willing to dedicate the time necessary to make informed decisions in the best interest of Hawaii and its residents.

As a former commissioner aware of the demands of the position and significance of the issues before the LUC, I would not recommend Chip to you if I did not believe he would ethically and honorably serve the people of Hawaii. I believe in Chip and trust he will serve you and Hawaii well.

Dear Senator Hee and Committee Members:

I am writing in support of the confirmation of Normand (Chip) Lezy as a member of the State Land Use Commission. I am a partner in the law firm of Goodsill, Anderson, Quinn and Stifel and have practiced law for 25 years.

Chip Lezy was an associate at Goodsill from 1995 to 2000. We worked together on a number of litigation matters. I often requested Chip's assistance on cases that were particularly challenging and required mature judgment. He voluntarily left our firm to join several other former Goodsill attorneys at Leong, Kunihiro, Leong & Lezy. I consider Chip to be a trusted colleague and a friend.

Chip will be an excellent member of the Land Use Commission. He is intelligent, thoughtful, and fair. When making decisions, he consistently exercises sound judgment. Most importantly, Chip has the highest ethical standards.

As an attorney and a citizen, I feel confident that Chip will responsibly execute his duties on the Land Use Commission. He possesses a solid work ethic and the professional and personal integrity necessary to do the job well.

Re: Confirmation of Normand R. "Chip" Lezy as a State Land Use Commission Member

Dear Senator Hee and Committee Members:

I am writing to support the confirmation of Normand R. "Chip" Lezy as a State Land Use Commission Member. I have known Chip for over 13 years, both personally and professionally. I am privileged to also know his parents, wife and children. My late wife, Linda Z. Leong, was a partner in the law firm that Chip started with as an associate in 1994. Later, Chip joined the law firm that my wife and brother started in 1998. Although we are both attorneys, my relationship with Chip is more personal than professional, since we practice in different areas of the law.

A major part of my practice is real property law. I am aware of how important land use is to the people of the State of Hawaii. My firm represented the Kapiolani Park Preservation Society before the Land Use Commission in the Society's attempt to challenge the building of a Burger King restaurant in Kapiolani Park. Although the Commission disagreed with our position, we ultimately prevailed in the Supreme Court. The process of appearing before the Commission, appealing the Commission's decision to the Circuit Court and then appealing the Circuit Court's decision to the Supreme Court showed me how important the Commission's role is in a State where land is so limited and valuable.

I believe that Chip has the temperament and reasoning skills to serve the State well as a Commissioner. I know that the position has the potential for being very political and that Commissioners are subject to persons who attempt to influence the decision of the Commission. I also know that Chip has the integrity to make the proper decision without yielding to those outside pressures.

Senator Clayton Hee and Committee Members

Re: Confirmation of Normand Lezy as a State Land Use Commission Member

Dear Senator Hee and Committee Members:

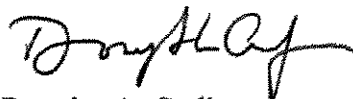

I am writing to express my strong support for the appointment of Normand R. "Chip" Lezy to the State of Hawaii Land Use Commission.

I have known Chip for over fifteen years. We were law school classmates and graduated with the Class of 1994 at the William S. Richardson School of Law. After law school, we were fellow associate attorneys at the law firm of Goodsell Anderson Quinn & Stifel, and I have known him both as a colleague and friend since that time.

I strongly support Chip's appointment to the Land Use Commission not only because of his professional qualifications but also because of his ability to work cooperatively with diverse aspects of the community. He is a successful attorney in private practice, and as a member of the Commission he will be able to bring his analytic and dispute resolution skills to bear on issues before the Commission. In addition, however, in my experience others have always found Chip to be approachable and someone they can trust as a colleague and friend. This personal ability may be a real asset as the Commission continues to grapple with pressing land use and environmental issues that have the potential to divide our community.

For all of these reasons I strongly support the Chip's appointment to the Commission. Thank you for the opportunity to submit these comments.
