Dear Senator David Ige;

I am writing to convey my strong interest and commitment to serve on the West Hawaii Regional Board of Directors of HHSC. I have practiced General Surgery in West Hawaii since 1985, the only place I have ever practiced. I have hospital privileges at both Kona Community Hospital and North Hawaii Community Hospital, plus temporary privileges for Ka'u hospital to help alleviate physician shortages in their Emergency Department.

I am proactive in improving the health care system for all in West Hawaii. I have numerous medical memberships: American Medical Association; Hawaii Medical Association; West Hawaii Medical Association (President); Pan-Pacific Medical Association; and society for Advancement of Wound Care.

I have participated in and held many health care positions; Vice Chief of Surgery, Kona Community Hospital; Member of Governor's Advisory Committee on Trauma; Member, council for West Hawaii Medical Association; MD Advisor and Co-founder West Hawaii Ostomy Association.

I would very much appreciate the opportunity to meet with you and your committee members to further discuss my interest to serve as a member of this important board. I appreciate your consideration of my appointment.
