Dear Senator David Ige:

I am writing to express my interest in serving on the Hawaii Health Systems Corporation Kauai Region Board of Directors. When I joined the West Kauai Medical Center / KVMH over three years ago as an orthopedic surgeon, I was embraced by a community filled with the "aloha" spirit, wanting and needing my expertise. Besides being an active serving physician on this wonderful Island, I feel it would be a good opportunity for me to give back to the hospital and the community through serving as a board member on the Kauai Regional Board.

In spite of the many challenges we face in establishing the foundation for a solid Kauai Board, this task can be accomplished suitably and I would like to play an integral role in building the future of the West Kauai Medical Center / KVMH, West Kauai Clinics – Waimea, Eleele, Kalaheo, and the Mahelona Medical Center / SMMH.

Thank you for your consideration.

Sincerely,

Richard Goding, MD
Orthopaedic Surgeon

Dear Senator David Ige:

I am writing to express my strong interest in serving as a board member of the Hawaii Health Systems Corporation Kauai Region Board of Directors. Given my business background and current position as President and CEO of KIUC, I am excited by the opportunity to contribute to a region that combines long-term and rural health care (West Kauai Medical Center and Samuel Mahelona Memorial Hospital).

There is a vital need for more proactive developments in the face of the inevitable healthcare demands associated with our ever-growing and changing population. While this challenge may appear overwhelming, I am confident that, with the help of our new governance structure and improved public policy, we will be able to adequately address those important issues that need to be addressed.

I would very much appreciate the opportunity to meet with you and your committee members to discuss further interest to serve as a member of this important board. I appreciate your consideration of my appointment.

Sincerely,
