Senator Rosalyn H. Baker, Vice Chair

Tuesday, October 29, 2013; 9:35 a.m.  
State Capitol, Room 224

Chair Espero, Vice Chair Baker, and Members of the Committee:

As the Director of the Department of Public Safety, I realize how important it is to ensure that the mandate of Act 116 (13) Relating to the Service of Civil Process, be fulfilled in a timely and comprehensive manner.

Mr. Mitchell brings his 22 years of experience serving process in Hawaii to highlight the issues faced by the process server community. Mr. Mitchell's extensive knowledge of the service of process here in Hawaii, includes the period when all process servers worked under the umbrella of the Department of Public Safety as Civil Deputies within the Sheriff Division. He is a process server for the Office of the Prosecuting Attorney and a Fire Captain for the Federal Fire Department.

I strongly **support** Mr. Mitchell's nomination as a committee member for the Civil Process Server Working Group based upon his extensive experience as a civil process server in Hawaii, and his proven problem solving capabilities.

RE: Application to Civil Process Server Working Group

---

Dear Senator Espero;

I am writing to apply for a position on the Civil Process Server Working Group. I feel that I will be a great asset to this committee by assisting in the knowledge and insight in the Civil Process Serving Field. I hope my strength in perceiving the industry trends and challenges and translating them to this committee will be beneficial from day one. I have over 22 years of experience in the Civil Process serving industry and have been trained and worked in the Public Safety Sherriff's Civil Division.

What I hope to accomplish by serving on this committee is to pass down information that occurs every day in our field and to insure that the public will be recipients to organizational policies and procedures.

Please let me know if I can help you make your selection by providing any further information or coming in for an interview.

Sincerely,

Richard K. Mitchell
