Place: Capitol Auditorium

Re: Strong Opposition to SB1

Dear Chairs Rhoads and Luke, and Members of both the House Committees on Judiciary and Finance:

I am writing to voice my opposition to Bill SB1.

I am asking you to allow the people to decide on the issue of marriage as I believe the legislature is going against the will of the people. I support equality for all including the rights of conscience and religious freedom, which I ask you to respect as our elected leaders.

I am opposed to the most contentious social issue in our history being decided virtually in one week and ask that you please uphold the principles of democracy and the democratic process which are being disregarded in this special session.

This bill should be given due process during the regular session where it can properly be vetted and examined as all other bills. The people who elected you to serve as their voices should have a say in public policy that will forever obliterate thousand of years of indigenous and non-native culture, customs and traditions. Your "yes" vote in special session is clearly a NO vote to democracy!

Thank you for the opportunity to testify.

I am opposed to the most contentious social issue in our history being decided virtually in one week and ask that you please uphold the principles of democracy and the democratic process which are being disregarded in this special session.

This bill should be given due process during the regular session where it can properly be vetted and examined as all other bills. The people who elected you to serve as their voices should have a say in public policy that will forever obliterate thousand of years of indigenous and non-native culture, customs and traditions. Your "yes" vote in special session is clearly a NO vote to democracy!

Thank you for the opportunity to testify.

Re: Strong Opposition to SB1

Dear Chairs Rhoads and Luke, and Members of both the House Committees on Judiciary and Finance:

I am writing to voice my opposition to Bill SB1.

I am asking you to allow the people to decide on the issue of marriage as I believe the legislature is going against the will of the people. I support equality for all including the rights of conscience and religious freedom, which I ask you to respect as our elected leaders.

I am opposed to the most contentious social issue in our history being decided virtually in one week and ask that you please uphold the principles of democracy and the democratic process which are being disregarded in this special session.

This bill should be given due process during the regular session where it can properly be vetted and examined as all other bills. I am writing to voice my opposition to Bill SB1.

I am asking you to allow the people to decide on the issue of marriage as I believe the legislature is going against the will of the people. I support equality for all including the rights of conscience and religious freedom, which I ask you to respect as our elected leaders.

I am opposed to the most contentious social issue in our history being decided virtually in one week and ask that you please uphold the principles of democracy and the democratic process which are being disregarded in this special session.

This bill should be given due process during the regular session where it can properly be vetted and examined as all other bills. The people who elected you to serve as their voices should have a say in public policy that will forever obliterate thousand of years of indigenous and non-native culture, customs and traditions. Your "yes" vote in special session is clearly a NO vote to democracy!

Re: Strong Opposition to SB1

Dear Chairs Rhoads and Luke, and Members of both the House Committees on Judiciary and Finance:

I am writing to voice my **opposition to Bill SB1.**

I am asking you to allow the people to decide on the issue of marriage as I believe the legislature is going against the will of the people. I support equality for all including the rights of conscience and religious freedom, which I ask you to respect as our elected leaders.

I am opposed to the most contentious social issue in our history being decided virtually in one week and ask that you please uphold the principles of democracy and the democratic process which are being disregarded in this special session.

This bill should be given due process during the regular session where it can properly be vetted and examined as all other bills. The people who elected you to serve as their voices should have a say in public policy that will forever obliterate thousand of years of indigenous and non-native culture, customs and traditions. Your "yes" vote in special session is clearly a NO vote to democracy!

Thank you for the opportunity to testify.

I am asking you to allow the people to decide on the issue of marriage as I believe the legislature is going against the will of the people. I support equality for all including the rights of conscience and religious freedom, which I ask you to respect as our elected leaders.

I am opposed to the most contentious social issue in our history being decided virtually in one week and ask that you please uphold the principles of democracy and the democratic process which are being disregarded in this special session.

This bill should be given due process during the regular session where it can properly be vetted and examined as all other bills. The people who elected you to serve as their voices should have a say in public policy that will forever obliterate thousand of years of indigenous and non-native culture, customs and traditions. Your "yes" vote in special session is clearly a NO vote to democracy!

Place: Capitol Auditorium
Re: Strong Opposition to SB1

Dear Chairs Rhoads and Luke, and Members of both the House Committees on Judiciary and Finance:

I am writing to voice my opposition to Bill SB1.

I am asking you to allow the people to decide on the issue of marriage as I believe the legislature is going against the will of the people. I support equality for all including the rights of conscience and religious freedom, which I ask you to respect as our elected leaders.

I am opposed to the most contentious social issue in our history being decided virtually in one week and ask that you please uphold the principles of democracy and the democratic process which are being disregarded in this special session.

This bill should be given due process during the regular session where it can properly be vetted and examined as all other bills. The people who elected you to serve as their voices should have a say in public policy that will forever obliterate thousand of years of indigenous and non-native culture, customs and traditions. Your "yes" vote in special session is clearly a NO vote to democracy!

Thank you for the opportunity to testify.

I am asking you to allow the people to decide on the issue of marriage as I believe the legislature is going against the will of the people. I support equality for all including the rights of conscience and religious freedom, which I ask you to respect as our elected leaders.

I am opposed to the most contentious social issue in our history being decided virtually in one week and ask that you please uphold the principles of democracy and the democratic process which are being disregarded in this special session.

This bill should be given due process during the regular session where it can properly be vetted and examined as all other bills. The people who elected you to serve as their voices should have a say in public policy that will forever obliterate thousand of years of indigenous and non-native culture, customs and traditions. Your "yes" vote in special session is clearly a NO vote to democracy!

Thank you for the opportunity to testify.

Re: Strong Opposition to SB1

Dear Chairs Rhoads and Luke, and Members of both the House Committees on Judiciary and Finance:

I am writing to voice my opposition to Bill SB1.

I am asking you to allow the people to decide on the issue of marriage as I believe the legislature is going against the will of the people. I support equality for all including the rights of conscience and religious freedom, which I ask you to respect as our elected leaders.

I am opposed to the most contentious social issue in our history being decided virtually in one week and ask that you please uphold the principles of democracy and the democratic process which are being disregarded in this special session.

This bill should be given due process during the regular session where it can properly be vetted and examined as all other bills. The people who elected you to serve as their voices should have a say in public policy that will forever obliterate thousand of years of indigenous and non-native culture, customs and traditions. Your "yes" vote in special session is clearly a NO vote to democracy!

Thank you for the opportunity to testify.

Re: Strong Opposition to SB1

Dear Chairs Rhoads and Luke, and Members of both the House Committees on Judiciary and Finance:

I am writing to voice my opposition to Bill SB1.

I am asking you to allow the people to decide on the issue of marriage as I believe the legislature is going against the will of the people. I support equality for all including the rights of conscience and religious freedom, which I ask you to respect as our elected leaders.

I am opposed to the most contentious social issue in our history being decided virtually in one week and ask that you please uphold the principles of democracy and the democratic process which are being disregarded in this special session.

This bill should be given due process during the regular session where it can properly be vetted and examined as all other bills. The people who elected you to serve as their voices should have a say in public policy that will forever obliterate thousand of years of indigenous and non-native culture, customs and traditions. Your "yes" vote in special session is clearly a NO vote to democracy!

Thank you for the opportunity to testify.

Dear Chairs Rhoads and Luke, and Members of both the House Committees on Judiciary and Finance:

I am writing to voice my **opposition to Bill SB1**.

I am asking you to **allow the people to decide** on the issue of marriage as I believe the legislature is going against the will of the people. I support equality for all including the rights of conscience and religious freedom, which I ask you to respect as our elected leaders.

I am opposed to the most contentious social issue in our history being decided virtually in one week and ask that you please uphold the principles of democracy and the democratic process which are being disregarded in this special session.

This bill should be given due process during the regular session where it can properly be vetted and examined as all other bills. **The people who elected you to serve as their voices should have a say in public policy** that will forever obliterate thousand of years of indigenous and non-native culture, customs and traditions. Your "yes" vote in special session is clearly a NO vote to democracy!

Thank you for the opportunity to testify. CAMERON KERR

October 29, 2013

Dear House Representatives,

My name is Viliamu Toilolo and I live at 55-603 Moana Street in Laie, and I strongly oppose the SB1.

The purpose of this e-mail is to ask you to please vote in the Negative on any piece of legislation that would change the definition of marriage from the currently stated "a man and a woman". The people should have the right to make this decision by placing a constitutional amendment on the ballot next year that they may vote and make the voice of the general public known regarding this decree that will affect the entire state.

As you review and contemplate the decision to vote on the legislature proposed, I want you to know that I do not support same-sex "marriage". More so I do not support the fact that our legislature is making this decision for us. This is my voice.

Sincerely,

Viliamu Toilolo

55-603 Moana St.
Laie, HI 96762

Re: Strong Opposition to SB1

Dear Chairs Rhoads and Luke, and Members of both the House Committees on Judiciary and Finance:

I am writing to voice my opposition to Bill SB1.

I am asking you to allow the people to decide on the issue of marriage as I believe the legislature is going against the will of the people. I support equality for all including the rights of conscience and religious freedom, which I ask you to respect as our elected leaders.

I am opposed to the most contentious social issue in our history being decided virtually in one week and ask that you please uphold the principles of democracy and the democratic process which are being disregarded in this special session.

This bill should be given due process during the regular session where it can properly be vetted and examined as all other bills. **The people who elected you to serve as their voices should have a say in public policy** that will forever obliterate thousand of years of indigenous and non-native culture, customs and traditions. Your "yes" vote in special session is clearly a NO vote to democracy!

Thank you for the opportunity to testify.

Place: Capitol Auditorium
Re: Strong Opposition to SB1

Dear Chairs Rhoads and Luke, and Members of both the House Committees on Judiciary and Finance:

I am writing to voice my **opposition to Bill SB1**.

I am asking you to **allow the people to decide** on the issue of marriage as I believe the legislature is going against the will of the people. I support equality for all including the rights of conscience and religious freedom, which I ask you to respect as our elected leaders.

I am opposed to the most contentious social issue in our history being decided virtually in one week and ask that you please uphold the principles of democracy and the democratic process which are being disregarded in this special session.

This bill should be given due process during the regular session where it can properly be vetted and examined as all other bills. **The people who elected you to serve as their voices should have a say in public policy** that will forever obliterate thousand of years of indigenous and non-native culture, customs and traditions. Your "yes" vote in special session is clearly a NO vote to democracy!

Thank you for the opportunity to testify.

EVITA C. TOVEY.

I am asking you to **allow the people to decide** on the issue of marriage as I believe the legislature is going against the will of the people. I support equality for all including the rights of conscience and religious freedom, which I ask you to respect as our elected leaders.

I am opposed to the most contentious social issue in our history being decided virtually in one week and ask that you please uphold the principles of democracy and the democratic process which are being disregarded in this special session.

This bill should be given due process during the regular session where it can properly be vetted and examined as all other bills. **The people who elected you to serve as their voices should have a say in public policy** that will forever obliterate thousand of years of indigenous and non-native culture, customs and traditions. Your "yes" vote in special session is clearly a NO vote to democracy!

Thank you for the opportunity to testify.

Re: Strong Opposition to SB1

Dear Chairs Rhoads and Luke, and Members of both the House Committees on Judiciary and Finance:

I am writing to voice my **opposition to Bill SB1**.

I am asking you to **allow the people to decide** on the issue of marriage as I believe the legislature is going against the will of the people. I support equality for all including the rights of conscience and religious freedom, which I ask you to respect as our elected leaders.

I am opposed to the most contentious social issue in our history being decided virtually in one week and ask that you please uphold the principles of democracy and the democratic process which are being disregarded in this special session.

This bill should be given due process during the regular session where it can properly be vetted and examined as all other bills. **The people who elected you to serve as their voices should have a say in public policy** that will forever obliterate thousand of years of indigenous and non-native culture, customs and traditions. Your "yes" vote in special session is clearly a NO vote to democracy!

Thank you for the opportunity to testify.

Place: Capitol Auditorium
Re: Strong Opposition to SB1

Dear Chairs Rhoads and Luke, and Members of both the House Committees on Judiciary and Finance:

I am writing to voice my opposition to Bill SB1.

I am asking you to allow the people to decide on the issue of marriage as I believe the legislature is going against the will of the people. I support equality for all including the rights of conscience and religious freedom, which I ask you to respect as our elected leaders.

I am opposed to the most contentious social issue in our history being decided virtually in one week and ask that you please uphold the principles of democracy and the democratic process which are being disregarded in this special session.

This bill should be given due process during the regular session where it can properly be vetted and examined as all other bills. **The people who elected you to serve as their voices should have a say in public policy** that will forever obliterate thousand of years of indigenous and non-native culture, customs and traditions. Your "yes" vote in special session is clearly a NO vote to democracy!

Thank you for the opportunity to testify.

Dear Chairs Rhoads and Luke, and Members of both the House Committees on Judiciary and Finance:

I am writing to voice my **opposition to Bill SB1**.

I am asking you to **allow the people to decide** on the issue of marriage as I believe the legislature is going against the will of the people. I support equality for all including the rights of conscience and religious freedom, which I ask you to respect as our elected leaders.

I am opposed to the most contentious social issue in our history being decided virtually in one week and ask that you please uphold the principles of democracy and the democratic process which are being disregarded in this special session.

This bill should be given due process during the regular session where it can properly be vetted and examined as all other bills. **The people who elected you to serve as their voices should have a say in public policy** that will forever obliterate thousand of years of indigenous and non-native culture, customs and traditions. Your "yes" vote in special session is clearly a NO vote to democracy!

Thank you for the opportunity to testify.

Re: Strong Opposition to SB1

Dear Chairs Rhoads and Luke, and Members of both the House Committees on Judiciary and Finance:

I am writing to voice my opposition to Bill SB1.

I am asking you to allow the people to decide on the issue of marriage as I believe the legislature is going against the will of the people. I support equality for all including the rights of conscience and religious freedom, which I ask you to respect as our elected leaders.

I am opposed to the most contentious social issue in our history being decided virtually in one week and ask that you please uphold the principles of democracy and the democratic process which are being disregarded in this special session.

This bill should be given due process during the regular session where it can properly be vetted and examined as all other bills. The people who elected you to serve as their voices should have a say in public policy that will forever obliterate thousand of years of indigenous and non-native culture, customs and traditions. Your "yes" vote in special session is clearly a NO vote to democracy!

Thank you for the opportunity to testify.

Place: Capitol Auditorium
Re: Strong Opposition to SB1

Dear Chairs Rhoads and Luke, and Members of both the House Committees on Judiciary and Finance:

I am writing to voice my opposition to Bill SB1.

I am asking you to allow the people to decide on the issue of marriage as I believe the legislature is going against the will of the people. I support equality for all including the rights of conscience and religious freedom, which I ask you to respect as our elected leaders.

I am opposed to the most contentious social issue in our history being decided virtually in one week and ask that you please uphold the principles of democracy and the democratic process which are being disregarded in this special session.

This bill should be given due process during the regular session where it can properly be vetted and examined as all other bills. The people who elected you to serve as their voices should have a say in public policy that will forever obliterate thousand of years of indigenous and non-native culture, customs and traditions. Your "yes" vote in special session is clearly a NO vote to democracy!

Thank you for the opportunity to testify.

I am asking you to allow the people to decide on the issue of marriage as I believe the legislature is going against the will of the people. I support equality for all including the rights of conscience and religious freedom, which I ask you to respect as our elected leaders.

I am opposed to the most contentious social issue in our history being decided virtually in one week and ask that you please uphold the principles of democracy and the democratic process which are being disregarded in this special session.

This bill should be given due process during the regular session where it can properly be vetted and examined as all other bills. The people who elected you to serve as their voices should have a say in public policy that will forever obliterate thousand of years of indigenou and non-native culture, customs and traditions. Your "yes" vote in special session is clearly a NO vote to democracy!

Thank you for the opportunity to testify.

Dear Chairs Rhoads and Luke, and Members of both the House Committees on Judiciary and Finance:

I am writing to voice my opposition to Bill SB1.

I am asking you to allow the people to decide on the issue of marriage as I believe the legislature is going against the will of the people. I support equality for all including the rights of conscience and religious freedom, which I ask you to respect as our elected leaders.

I am opposed to the most contentious social issue in our history being decided virtually in one week and ask that you please uphold the principles of democracy and the democratic process which are being disregarded in this special session.

This bill should be given due process during the regular session where it can properly be vetted and examined as all other bills. The people who elected you to serve as their voices should have a say in public policy that will forever obliterate thousand of years of indigenous and non-native culture, customs and traditions. Your "yes" vote in special session is clearly a NO vote to democracy!

Thank you for the opportunity to testify.
